

The Recovery and Resilience Facility

Joint Meeting EMA-ENEA MA 01 December 2020

Eric von Breska, Director, Recovery Task Force, SG

#StrongerTogether #NextGenerationEU

Key features

- Supports the economic recovery and long-term resilience of EU as well as green and digital transitions
- Covers the period 2021-2026
- Provides loans and grants to Member States: 312.5 billion for grants and EUR 360 billion for loans (2018 prices)
- Helps Member States to address the challenges identified in the European Semester (Country Specific Recommendations)
- National recovery and resilience plans (RRPs) to cover both reforms and investments

Key features

- To support twin transitions, RRP's shall cover at least 37% in terms of climate spending and 20% in terms of digital spending
- Focus on European flagships (e.g. power up, renovate, recharge and refuel)
- Investments shall respect «do no significant harm» principle enshrined in the taxonomy regulation
- Performance based: payments linked to milestones & targets
- Ex-ante cost estimate
- No double funding

Thank you
