

EU Contest for Young Scientists (EUCYS)

National organisers

1.01 version

Date: 22-04-2021

Research and
Innovation

EUCYS : National organisers

The National Organisers are responsible for selecting projects, submitting applications, and for all communication with the Commission.

All contestants will be accompanied to the EU Contest by their National Organiser, or by an adult escort appointed by the National Organiser. The National Organiser, as the principal contact in all participating countries, will assure liaison between the contestants and the EU Contest in all matters concerning the Contest.

National Organisers and/or escort(s), together with their contestants, constitute their respective country's official delegation and are the only ones that can enjoy access to all public and private events associated with the Contest.

National Organisers assume responsibility for the well-being and behavior of their party.

They:

- ensure that their party travels with adequate health, accident and travel insurance that covers them for both the travel and duration of the Contest
- handle the linguistic or other problems that may arise during the Contest or in relation to associated activities
- ensure that they have their own measures in place to assure their party's behavior remains beyond reproach

Member States and the European schools
