Share your ideas and priorities for #MissionCities

ONE OF THE 5 EU MISSIONS

Climate-neutral cities are the future. We need to act now to support sustainable urban development.

JOIN THE YOUTH ONLINE SESSION
30 JUNE 2020, 16:00 - 18:00 CEST

Are you young and want to imagine the climate-neutral city of tomorrow? Be part of an interactive discussion and

REGISTER HERE by 28 June midnight.

Participation is foreseen with selection criteria to ensure youth representation, inclusivity and diversity. Selected participants will be notified on 29 June.

Your voice is important!
Let’s shape our future together and make EU missions happen.

EU missions are a commitment to solve major societal challenges like fighting cancer, adapting to climate change, living in greener cities, ensuring soil health and food, and protecting our oceans.

Get involved!

#EUmissions #HorizonEU #EUGreenDeal

The discussion is organised by the European Commission, DG Research and Innovation and supported by the European Youth Forum.
