

Information about the project

Title & acronym:

Start and end date:

Funding programme [H2020, Horizon Europe or EIT]:

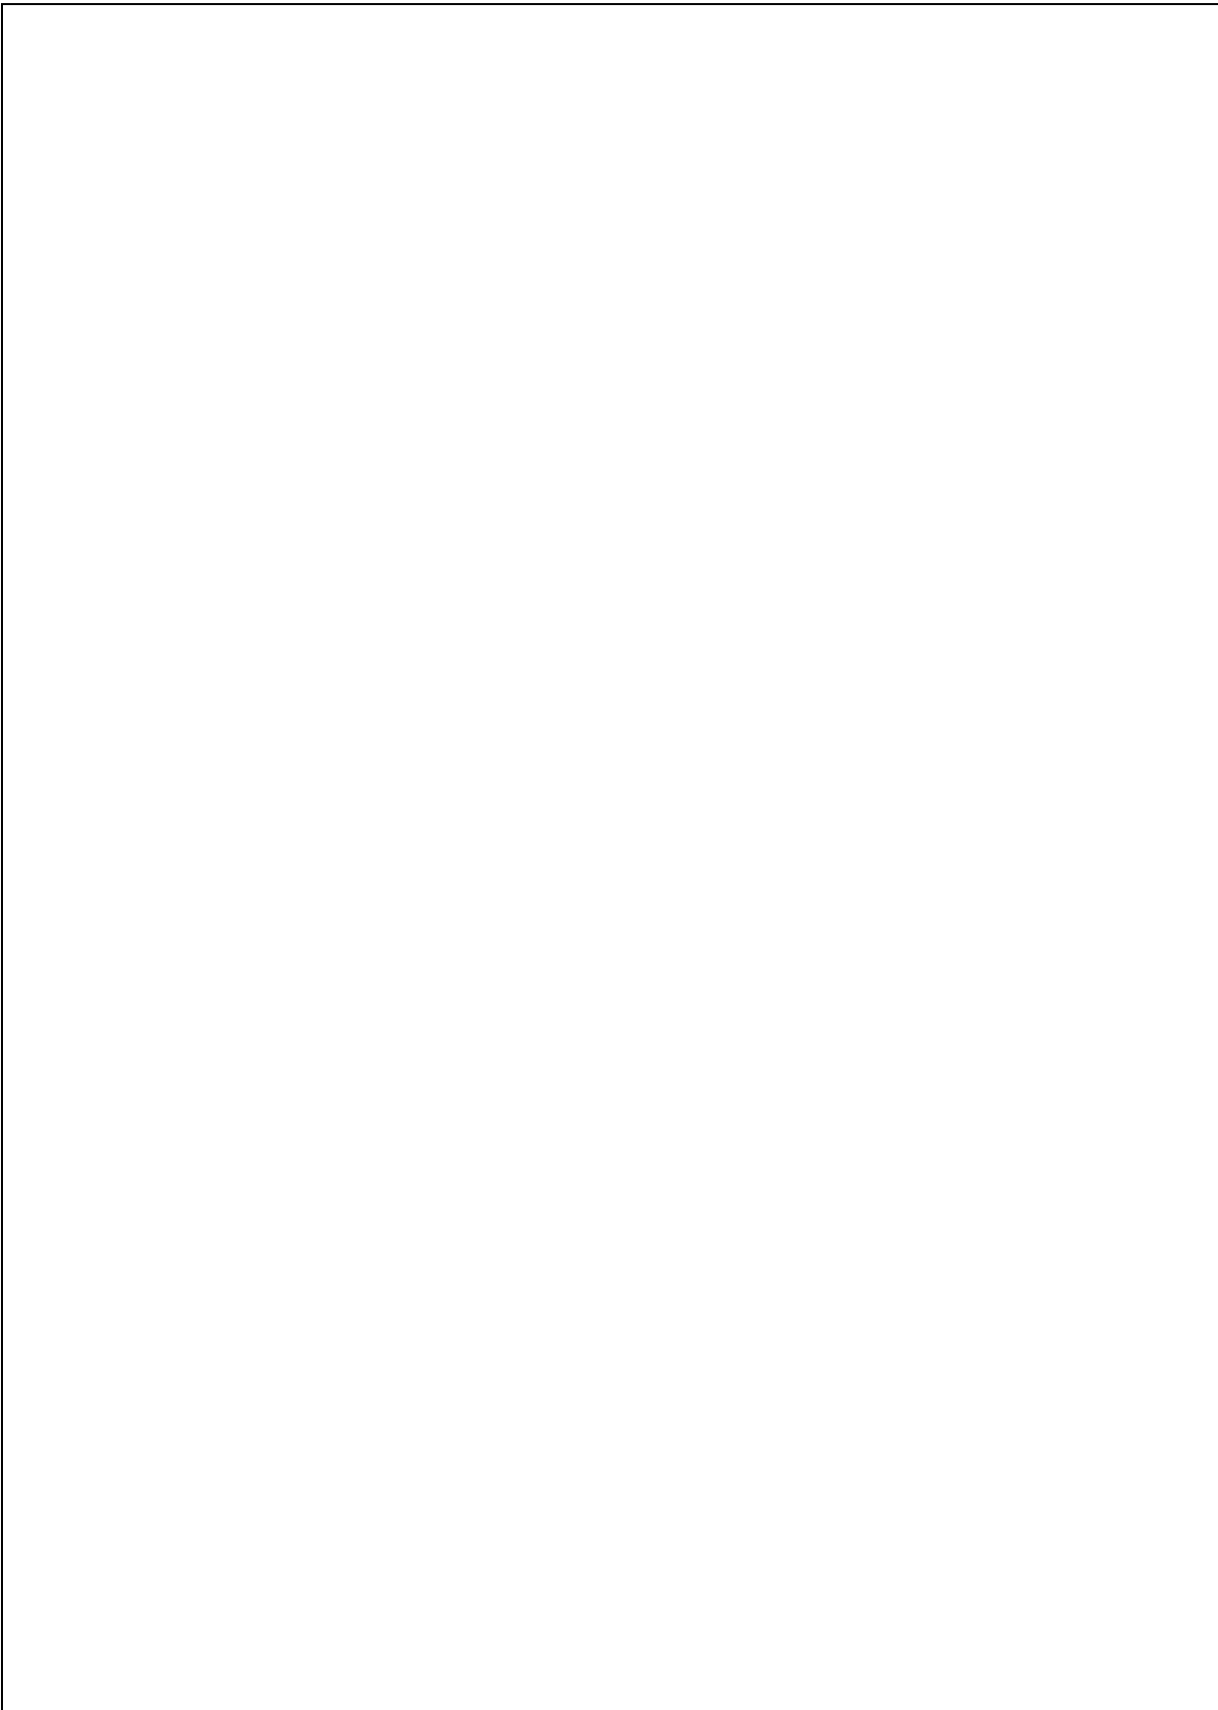

Project website:

Contact details of the coordinator [name, email]:

How is your project contributing to sustainability (including environmental, economic and social sustainability aspects)?

A large, empty rectangular box with a thin black border, occupying most of the page below the question. It is intended for the user to write their response regarding the project's contribution to sustainability.

How is your project contributing to human-centricity (including workers' health, wellbeing, and empowerment, as well as re-skilling and up-skilling activities)?

How is your project contributing to resilience of industry (including technological and process/supply chain/ organisational aspects)?

Please describe the specific contribution of your project to Industry 5.0: How does it integrate sustainability, human-centricity and resilience? How can the results of the project be applied in industry to make Industry 5.0 a reality?
