

# 4<sup>TH</sup> EU-NORWAY ENERGY CONFERENCE

5 February 2019, Brussels

#EUNORenergy

## 4<sup>th</sup> EU-Norway Energy Conference

### Working together for a successful energy transition

*Renaissance Brussels Hotel, Rue du Parnasse 19, Brussels, 5 February 2019*

09:30 – 10:15 Registration and coffee

10:15– 10:20 Welcome by Dominique Ristori, Director General, Directorate-General for Energy and Rolf Einar Fife, Norway's Ambassador to the EU

10:20 – 11:00 **Key Note Addresses**

Miguel Arias Cañete, Commissioner for Climate Action and Energy  
Kjell-Børge Freiberg, Norwegian Minister of Petroleum and Energy

11:00 – 12:00 **The role of natural gas in Europe's energy transition**

**Moderator: Elisabeth Berge, Director General, Ministry of Petroleum and Energy**

Gas as a reliable and abundant energy source to Europe. Gas as flexible partner to renewables. Substitution of coal with gas in the power sector. The long-term potential for decarbonisation of natural gas, and for new use of natural gas networks.

- Mario Mehren, CEO Wintershall
- Eirik Wærness, Senior Vice President and Chief Economist, Equinor
- Coby van der Linde, Director, Clingendael International Energy Programme
- James Watson, Secretary General, Eurogas

12:00 – 12:15 Coffee break

12:15 – 13:15 **Decarbonisation in industry**

**Moderator: Megan Richards, Director for Energy Policy, DG Energy**

Carbon Capture and Storage in industrial sectors such as cement. Waste treatment and circular economy. Energy efficiency and electrification.

- Presentation of the Norwegian full-scale CCS project by the participating companies:
  - Per Sandberg, Senior Advisor, Business Development, Equinor
  - Liv Monica Stubholt, Chair of the Board, Fortum Oslo Varme
  - Per Brevik, Director Alternative Fuels and Sustainability, HeidelbergCement Northern Europe
- Stein Inge Liasjø, Communication Director, Senior Vice President, strategy, Enova
- Haitze Siemers, Head of Unit, New Energy Technology, Innovation and Clean Coal, DG Energy
- Graeme Sweeney, Chair, The European Zero Emissions Technology and Innovation Platform

13:15 – 14:30 Luncheon

## Side event organised by the Ministry of Petroleum and energy: The role of Carbon Capture and Storage in Deep Decarbonisation

14:30 – 14:40     **Introduction by moderator Trude Sundset, CEO Gassnova**

14:40 – 15:30     **Key Note Addresses**

- Kjell-Børge Freiberg, Norwegian Minister of Petroleum and Energy
- Adina-Ioana Vălean, Chair of the ENVI Committee, European Parliament
- Raymond Johansen, Governing Mayor, City of Oslo
- Christian Holzleitner, Head of Unit, Land Use and Finance for Innovation, DG CLIMA

15:30 - 16:20     **CCS projects in Europe today**

- Luke Robertson, Senior Business Consultant, Pale Blue Dot.
- Jonathan Briggs/Colin McGill, Clean Gas Project
- Petter Holland, CEO, Preem AB
- Liv Monica Stubholt, Chair of the Board, Fortum Oslo Varme
- Per Brevik, Director Alternative Fuels and Sustainability, HeidelbergCement Northern Europe
- Per Sandberg, Senior Advisor, Business Development, Equinor

16:20 – 16.30     **Concluding remarks**
