The ISA² programme in a nutshell

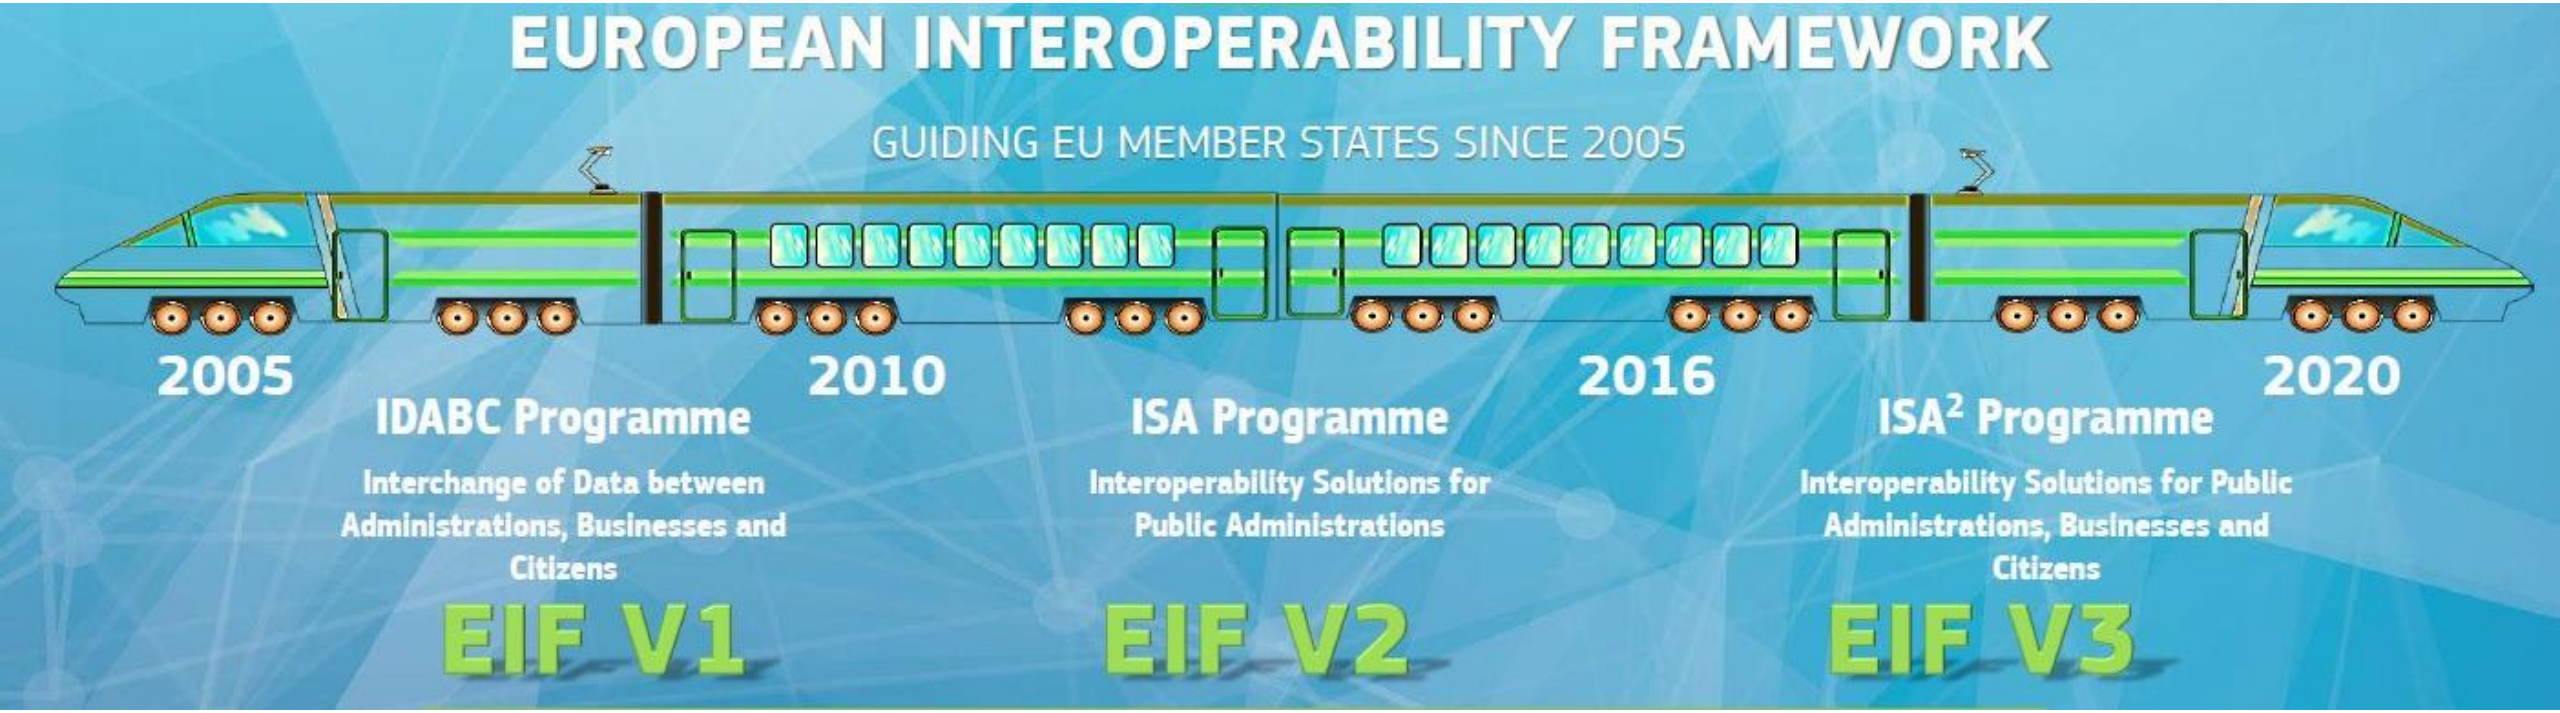
Interim Evaluation Workshop

ISA² Programme – Key facts

EU programme, managed by the European Commission to support the development of **digital solutions** that enable public administrations, businesses and citizens in Europe to **benefit from interoperable cross-border and cross-sector public services**.

- Budget: **131M €**
- Duration: **2016-2020**
- Legal basis: **Decision (EU) 2015/2240**

ISA² programme – History



The ISA² programme – Policy context

Contributes to the implementation of the **eGov Action Plan** (2016-2020) and the **EIF**

Contributes to completing the **DSM**

Importance stressed in the **Ministerial eGov Declaration from Tallinn of 6 October 2017**

Complements other EC programmes, e.g. CEF, European Social Fund (Operational Programme, administrative capacity), Regional funds

Contributes to many EU policies, e.g. Open DATA initiative, the PSI directive, TOOP, Digital Single Gateway and **Digital Agenda for the Western Balkans**

ISA² programme – Rationale

Goal: to modernise European Public Administrations &

to facilitate effective and efficient digital interaction:

- Across-borders and/or
- Across sectors
- Between public administations
- Between public administrations **and** businesses/citizens

Means: by developing **interoperability solutions & common frameworks** and by fostering their **re-use**

ISA² programme – Implementation

2015

ISA² Programme

Interoperability solutions

DCAT-AP — Metadata standard

Core Vocabularies — To share your own semantic assets

ADMS — Government metadata management

VocBench3 — Multilingual platform for collaborative thesaurus management

e-TrustEX — Secure document exchange platform

e-Docs — ArchiMate diagrams visualising e-Document lifecycle

CPSV-AP — Data model for describing public services, associated life and business events

TESTA — Data communication network service

Crypto Tool — European Parliament Crypto Tool

OCS for ECIs — To gather statements of support online

Open ePrior — e-Procurement system for Public Administrations

ESPD — Tool facilitating participation in public procurement across the EU

e-Certis — Tool for mapping certificates necessary in public procurement

CAMSS — Common assessment method for standards and specifications

Joinup — Platform for sharing and reuse of IT solutions for public administrations

CIRCABC — Communication and Information Resource Centre for Administrations, Businesses and Citizens

NIFO — National Interoperability Framework Observatory

EIRA & EICart — EU Interoperability Reference Architecture and EU Interoperability Cartography

Open PM2 — Open Project Management Methodology

EUSurvey — Tool for creating, managing and analysing online surveys and public consultations

Re3gistry — Tool to manage and share reference codes

EUPL — Open source licence

IMaps — Interoperability Maturity Model

Interoperability TestBed — Interoperability and conformance testing platform

IQAT — Interoperability Quick Assessment Toolkit

ELI — European Legislation Identifier

Ref2Link — Text mining for EU references and citations

LEOS — Tool facilitating the editing of legislative texts

- Key and generic interoperability enablers
- Semantic interoperability
- Decision making and legislation
- EU policies -Supporting instruments
- e-Procurement/ e-Invoicing
- Geospatial solutions
- Supporting instruments for public administrations

ISA² programme – Benefits

Solutions that work smoothly in cross-border or cross-sector context and can be reused and adapted.

For public administrations:

- more efficient administrative procedures
- reduced time for dealing with transactions
- high end-user satisfaction
- Reduced time & cost for the development of own IT solutions

For businesses and citizens:

- Quicker and cheaper administrative procedures
- Less red tape

ISA² programme – Interim evaluation

Article 13(3) of the ISA² decision stipulates that:

"The Commission shall carry out an interim evaluation of the ISA2 programme by 30 September 2019 … and shall communicate the results of that evaluation to the European Parliament and to the Council by the same date."
