A DIGITAL SINGLE MARKET NEEDS MODERN PUBLIC SERVICES

Digital by default

Openness and transparency

Cross-border by default

Interoperable

Once-only principle

Inclusiveness and accessibiilty

Trustworthiness and security

Common services

Common technical building blocks

Common standards and technical specs

Digital Single Market Strategy 2015

e-Government Action Plan 2016-2020

New European Interoperability Framework

SHARING AND REUSING COMMON SOLUTIONS ALSO MAKES (BUSINESS) SENSE

BARRIERS PREVENTING SHARING AND REUSE

Awareness

Multilingual support and reusability

Bad practices in procurement

Licence incompatibilities

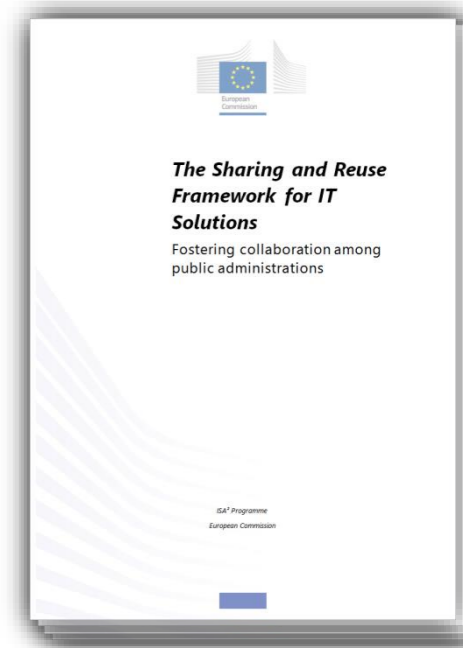

Lack of common terminology

A BRIEF HISTORY OF ~~TIME~~ THE FRAMEWORK

European Interoperability Framework (2017)

Digital Single Market Strategy (2015)

European Interoperability Framework (2010)

CEF Digital

IDABC

ISA² programme

ISA programme

S&R Framework

Guideline on OSS procurement (2008)

Common Assessment of Standards and Specifcations

Interoperbility Maturity Model

EU Public Licence

EU Interoperability Architecture

OSS strategy of the European Commission 2014

ICT procurement guidelines

Sharing and reuse policies (study)

Governance and Business models for sharing and reuse (study)

ABOUT THE FRAMEWORK

- Advises public administrations on how they can create reusable IT solutions and how they can benefit from reusing already existing ones

- Should be used at all development stages of IT solutions & all levels of public administrations

4
Identifies 4 main types of barriers

10
10 key recommendations

13
13 recommended measures for central bodies

16
16 supporting instruments

The Sharing and Reuse Framework for IT Solutions
Fostering collaboration among public administrations

ISA² Programme
European Commission

Framework

Recommendations
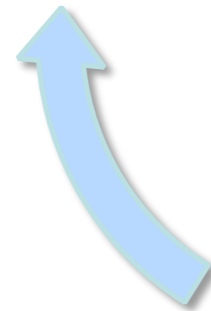

Recommended measurers

Supporting instruments

Conference

Policies

Business and Governance models

Legal challenges

Supporting instruments

Awards

Best practices around sharing and reuse

More to come!

Online, Extended Framework - with added supporting instruments from the community

Systemic update of the framework – change management

Training – first one in Portugal

Thank you
