From the entrepreneurial discovery process to S3 implementation in Friuli Venezia Giulia region
Presentazione del percorso svolto da novembre 2014 a marzo 2015

Consolidation and repositioning of the industrial and production sectors

Agri-food Strategic productions chains: Metalworking and Home sectors

Maritime technologies

Smart Health

CCT

Shift of the regional economic and production systems

1. FVG S3 description:
   expected changes and areas of regional specialisation

RCD 708/2015
RCD 1403/2015
RCD 590/2016
FVG's methodology for building and implementing the S3

- INTERNAL ORGANISATIONAL MODEL
- ENTREPRENEURIAL DISCOVERY
- PARTICIPATIVE GOVERNANCE MODEL
- GOVERNANCE AND IMPLEMENTATION

2. The methodology
# INTERNAL ORGANISATIONAL MODEL

<table>
<thead>
<tr>
<th>AUTHORITIES</th>
<th>FUNCTIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Coordinating structures</td>
<td><strong>Coordination</strong> of the S3 activities in the RA</td>
</tr>
<tr>
<td>Steering Committee</td>
<td><strong>Management</strong> and <strong>execution</strong> of the S3</td>
</tr>
<tr>
<td>Technical Secretariat</td>
<td><strong>Technical</strong> and <strong>operational support</strong> to the Steering Committee and to the Strategy Committee</td>
</tr>
</tbody>
</table>

## 2.1. Internal organisational model

The internal organisational model includes the following authorities and their functions:

- **Coordinating structures**: Coordinating structures are responsible for coordination of the S3 activities in the RA.
- **Steering Committee**: The Steering Committee is responsible for management and execution of the S3 activities.
- **Technical Secretariat**: The Technical Secretariat provides technical and operational support to the Steering Committee and the Strategy Committee.
Entrepreneurial Discovery

2.2. Entrepreneurial Discovery

- The desk phase
  - Documental analysis

- Online Consultation
  - Web-based questionnaire

- Thematic discussion Groups
  - Thematic and interactive meetings
  - Scientific examination

- General Assembly
  - Presentation to the territory

S3 first draft
Sectorial fields
S3 areas and trajectories
S3 definitive version
PARTICIPATIVE GOVERNANCE MODEL

- "bottom up" model
- selective focus on the topics
- critical mass of funds
## Governance and Implementation

<table>
<thead>
<tr>
<th>Authorities</th>
<th>Functions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Regional Government</td>
<td>political direction</td>
