Enlargement and Integration Action Workshop

**JRC Institute**

Institute for Environment and Sustainability

http://ies.jrc.ec.europa.eu/

**Objectives, policy relevance and contents of workshop**

The workshop targets the LPIS (Land Parcel Identification Systems) managers and technical staff operating for Member State administrations responsible for the implementation of the Common Agriculture Policy. It also concerns technical staff dealing with the management of GAEC and of the future greening components of the CAP.

The workshop will deal with the main changes introduced by the CAP reform on eligibility, greening and GAEC and their consequences on the LPIS. Field cases provided by Member States will be used as a basis to discuss Ecological Focus Area (EFA) implementation and Land Parcel Identification System (LPIS) upkeep issues as well as to have an in-depth discussion on guidelines documents in particular on the LPIS and on the EFA-layer.

For present or potential candidates of the EU, the main objective of the workshop will be to assist the competent organisations with the scientific and technical methods and techniques underpinning this specific element of EU CAP implementation in EU, to learn about the methods currently available and discuss its future implementation in their country.

**Date, Place and duration**

13:00 Wednesday, 24th September to 14:00 Friday 26th September 2014
Belgium, Brussels, Centre Borschette

**Deadline for application**

Provided in the announcement made on the MARS Website

**Target deadline for results of selection**

Since the participation to the workshop may depend on the obtaining of a visa, the deadline to register is fixed to **one month before the starting date of the workshop**.

**Participants profile**

Participants should come from public administration or research institutions responsible for or **dealing with the establishment of the country strategy for implementing their future Agriculture Policy especially for setting up their future Reference Land Parcel System (LPIS)**.

Number of participants per country is not strictly limited but the reimbursement is limited to **two experts per country**.
Each participant is warmly invited to **make a presentation** on his/her institutions’ activities in the workshop topic.
| **Country of origin of participants** | Focus on ad hoc administration representatives and/or experts from:  
- New EU Member State;  
- EU Candidate Countries;  
- EU Potential Candidate Countries;  
- Frameworks Programme Associated Countries. |
|---------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| **Funding**                           | The Commission reserves the right to decide on a case-by-case basis the granting of reimbursement of expenses, depending always on the available budget.  
Participants may be entitled to reimbursement of their expenses in case they are directly (explicitly) invited by the organizer in order to contribute to the workshop's objectives. |

**To apply please send your CV to:** [JRC-Enlargement@ec.europa.eu](mailto:JRC-Enlargement@ec.europa.eu), subject: 2014-IES-A-10
