### Assistance

All Joint Research Centre (JRC) staff will be wearing a JRC t-shirt or a staff badge. Please feel free to approach any staff member to ask for assistance. Alternatively, there will be several information points around the site on the day.

### Lost & Found

Any lost and found items will be taken to the entrance. Please contact a member of security near the entrance gate.

### Water

Water fountains will be installed around the site in specified areas (our map will be published soon).

### Refreshments

'Pro Locos' (local organisations that serve to promote the villages and towns in the vicinity of the JRC Ispra site) including *Cadrezzate, Comerio, Ispra, Osmate, Taino, Ranco and Travedona* will sell local Italian food and beverages.

## **Mobility**

A free shuttle service will be available outside and inside the JRC site.

Any visitor who requires special assistance should state this on their registration form and will be contacted directly before the day of the event.

This year we will also be offering shuttle buses from the Varese Stadium, more information will be announced during the registration period.

## **Weather**

There are plenty of Open Day activities planned both indoors and outdoors and the Open Day will go ahead, come rain or shine. We do recommend you check the weather before arriving, to plan accordingly.

## **Pets**

Pets are not allowed on the site.

## **More information**

If you have any further questions about the Open Day, please do not hesitate to contact the Communication unit:
