SECOND ANNOUNCEMENT

14th INTERNATIONAL WORKSHOP ON SEPARATION PHENOMENA IN LIQUIDS AND GASES (SPLG 2017)

STRESA, ITALY, 4 – 9, June 2017

WELCOME ADDRESS

On behalf of the International and Local Organizing Committees, we are delighted to invite you to participate to the 14th International Workshop on Separation Phenomena in Liquids and Gases (SPLG 2017). The Workshop will be held in Stresa (Italy) on June 4-9, 2017 and will be hosted by the Joint Research Centre of the European Commission – Directorate Nuclear Safety and Security – Nuclear Security Unit.

The objective of the Workshop is to provide a forum for exchanging ideas and recent research among scientists around the world involved in solving theoretical and practical problems of separating gaseous, liquid isotopic and non-isotopic mixtures, non-proliferation and safeguards, needs in enriched stable isotopes.

In addition to the benefits of scientific program of the conference, we hope you will enjoy the conference location with its nice spring. Stresa is a famous touristic village located just in front of Lake Maggiore and 90 km NW of Milan.

Since the number of participants may be limited for practical reasons please fill-in the Registration Form as soon as possible and send a copy to SPLG2017@jrc.ec.europa.eu.

More information on the Workshop are available on the following web page:
