Atlantic stakeholder conference - Porto

20/01/2015

Date: Tuesday 20 January 2015  
Venue: Porto, Portugal

As part of the implementation of the Atlantic Action Plan, the European Commission invites stakeholders to share their practical knowledge and ideas at the Atlantic Stakeholder Platform conference. The stakeholder platform is to be an annual event and will be the central hub for stakeholders of the Atlantic Strategy to meet, greet, seek ways of cooperation, share information and secure funding for example with the help of the the Support team for the Atlantic Action Plan [1].
