THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Whereas:

(1) In order to ensure the implementation of the ENI East Regional Action programme 2019 part 1, it is necessary to adopt an annual financing Decision, which constitutes an annual work programme, for 2019. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.

(2) The envisaged assistance is deemed to follow the conditions and procedures set out by the restrictive measures adopted pursuant to Article 215 TFEU.

(3) The Commission has adopted the European Neighbourhood Instrument (ENI) East Regional Strategy Paper for the period 2014-2020 and the Multiannual Indicative Programme for the period 2017-2020, which sets out the following priorities: (1) economic development and market opportunities; (2) strengthening institutions and good governance; (3) connectivity, energy efficiency, environment and climate change; (4) mobility and people-to-people contacts.

5 Decision C(2017)5408 of 4.8.2017
(5) Action (a) entitled “Prevention, Preparedness and Response to natural and man-made disasters in Eastern Partnership countries (PPRD East 3)” aims to increase the resilience to natural and man-made disasters in the Eastern partner countries. In this context it specifically has the intention 1) to build sustainable capacities of the Partner Countries' respective civil protection institutions for disaster prevention, preparedness and response to natural and man-made disasters; 2) to strengthen interlinkages between all relevant governmental actors and civil society stakeholders as well as the scientific community, promoting a national inclusive approach to prevention, preparedness and response to natural and man-made disasters and 3) to enhance regional co-ordination, institutional and operational co-operation between the Union Civil Protection Mechanism and the Eastern neighbourhood countries and among Eastern neighbourhood countries.

(6) Action (b) entitled “Eastern Partnership Trade Helpdesk” aims to increase trade between Eastern Partnership countries and between Eastern Partnership countries and the EU. The action aims through the creation of a helpdesk, to provide economic operators and in particular Small and Medium Enterprises (SMEs), Business Support Organizations (BSOs) and policy makers in Eastern Partnership countries with a one stop online platform that offers access to trade information (tariffs, non-tariff measures, taxes, trade statistics for goods and services, trade procedures and companies), that govern access to regional markets and the EU.

(7) It is appropriate to authorise the award of grants without a call for proposals, pursuant to Article 195 of Regulation (EU, Euratom) 2018/1046 to the International Trade Center (ITC) for Annex 2, due to the high specialisation required in the field.

(8) Pursuant to Article 4(7) of Regulation (EU) No 236/2014, indirect management is to be used for the implementation of Action 2.

(9) The Commission is to ensure a level of protection of the financial interests of the Union with regards to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of Regulation (EU, Euratom) 2018/1046. To this end, the Commission, in accordance with Article 154(6) of Regulation (EU, Euratom) 2018/1046, retains the financial management responsibilities laid down in Annex 2

(10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.

(11) In order to allow for flexibility in the implementation of the programme, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.

(12) The actions provided for in this Decision are in accordance with the opinion of the European Neighbourhood Instrument Committee established under Article 15 of the financing instrument referred to in recital 4.
