5 Decision C(2017)5408 of 4.8.2017
The objectives pursued by the multiannual action programme to be financed under the ENI\(^6\) are to reduce organised and serious international crime in the EaP region, strengthen participatory and inclusive democracy in the Eastern Neighbourhood, improve the business and investment climate and infrastructure and strengthen economic governance and public finance sustainability.

The action entitled ‘Fight against organised crime’ (Annex 1) aims to reduce organised and serious international crime in the Eastern Partnership (EaP) region. To this end, the proposed action will focus on strengthening the strategic and operational cooperation between law enforcement authorities in the EaP region, EU Member States and EU agencies. Additionally, the action will work on an increased capacity to recover assets linked to organised criminal activity.

The action entitled ‘Structural Reform Facility (2)’ (Annex 2) will build on the result of the Structural Reform Facility (1) and contribute towards the development of sustainable and equitable economic growth models in the EaP countries, which can generate more investments and improve socio-economic conditions and employment opportunities for citizens.

The action entitled ‘Mayors for Economic Growth 2’ (Annex 3) follows up on the Mayors for Economic Growth (M4EG) initiative, launched by the EU in 2017 to support mayors and municipalities of the EaP countries to become active facilitators for sustainable economic growth and job creation.

The action entitled ‘EU4Digital: Connecting research and education communities’ (EaPConnect)” (Annex 4) will continue and step up the work done under the first EaPConnect project, launched by the EU in 2015 to improve EaP intra-regional connectivity and facilitate participation of local scientists, students and academics in EU and global Research and Education (R&E) collaborations.

The action entitled ‘Civil Society Facility’ (Annex 5) aims to increase civil society organisations’ capacity to engage in the policy-making processes and policy dialogue, promote reforms, including electoral reforms, and public accountability, foster local democracy, local development and engage citizens in public debate, and to promote social innovation and social entrepreneurship in the Eastern Neighbourhood.

It is appropriate to authorise the award of grants without a call for proposals, pursuant to Article 195 of Regulation (EU, Euratom) 2018/1046.

The Commission should authorise the eligibility of costs as of a date preceding that of submission of a grant application, which is prior to the date of adoption of this Decision, for reasons of extreme urgency in crisis management aid or in other exceptional and duly substantiated emergencies, whereby an early engagement by the Union would be of major importance.

Pursuant to Article 4(7) of Regulation (EU) No 236/2014, indirect management is to be used for the implementation of the programme.

The Commission is to ensure a level of protection of the financial interests of the Union with regards to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of Regulation (EU, Euratom)2018/1046. To this end, such entities and persons are to be subject to an assessment of their

systems and procedures in accordance with Article 154(4) of Regulation (EU, Euratom) 2018/1046 and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) of Regulation (EU, Euratom) 2018/1046, before a contribution agreement can be signed. To this end, the Commission, in accordance with Article 154(6) of Regulation (EU, Euratom) 2018/1046, retains the financial management responsibilities laid down in Annex 1.

(14) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.

(15) In order to allow for flexibility in the implementation of the programme, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.

(16) The actions provided for in this Decision are in accordance with the opinion of the ENI Committee established under Article 15 of the financing instrument referred to in recital 4.
