COMMISSION IMPLEMENTING DECISION

of 4.12.2014

on the 2014 special measure for the Syrian population to be financed from the general budget of the European Union

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 236/2014 of the European Parliament and of the Council of 11 March 2014 laying down common rules and procedures for the implementation of the Union's instruments for financing external action¹ and in particular Article 2(1) thereof,

Having regard to Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002², and in particular Article 84(2) thereof,

Whereas:

(1) In light of the ongoing repression and restrictive measures taken by the Council of the European Union, the Commission has suspended its cooperation with the Syrian Government since May 2011. Since then, normal programming for Syria has not been possible due to the ongoing conflict but direct support to the affected population in Syria and in the neighbouring countries affected has been maintained under the European Neighbourhood Instrument through various special measures in complementarity to humanitarian assistance in sectors such as education and early recovery. This will be revised should the situation evolve towards a post-crisis state-building and reconstruction scenario.

(2) The objective pursued by this measure to be financed under Regulation (EU) No 232/2014 of the European Parliament and of the Council of 11 March 2014 establishing a European Neighbourhood Instrument³ is to help the Syrian population to cope with the effects of the crisis and prepare for recovery. This special measure is made necessary by the dramatic worsening of the Syrian crisis.

(3) Action entitled “Support to people in Syria affected by the crisis – Phase II” will contribute to help people in Syria cope with effects of the crisis and facilitate a peaceful and democratic transition. It will be implemented through grants to Civil Society Organisations.

(4) Action entitled “Urban information and analysis to help plan and target humanitarian and recovery interventions in Syria” will contribute to improve the humanitarian and recovery responses to the Syria crisis through better urban information and analysis. It will be implemented jointly by the United Nations Human Settlements Programme (UN-Habitat) and the EU Joint Research Center (JRC).

³ OJ L 77, 15.3.2014, p. 27.
(5) Action entitled “Education for vulnerable and displaced children in Syria” will contribute to improve access to education and to psychosocial support for school-age children in Syria. It will be implemented jointly by the United Nations Children’s Fund (UNICEF) and the World Food Programme (WFP).

(6) Action entitled “Scaling-up of emergency restoration and stabilisation of livelihoods of affected Syrian populations” will contribute to strengthening the resilience of the Syrian people to cope with the effects of the protracted crisis and enable those whose livelihoods were severely disrupted to recover and rebuild their lives. It will be implemented with the United Nations Development Programme (UNDP).

(7) Action entitled “Joint comprehensive EU framework for cross-border operations in Syria from Turkey” will contribute to provide basic services to the Syrian population and to strengthen local governance through the implementation of flexible and short-term delivery projects in Syria with local civil partners. It will also contribute to decrease community tensions by addressing the needs of Syrian refugees in Turkey. It will be implemented with Gesellschaft für Internationale Zusammenarbeit (GIZ).

(8) It is necessary to adopt a financing decision, the detailed rules on which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/20124.

(9) It is necessary to adopt a work programme for grants the detailed rules on which are set out in Article 128(1) of Regulation (EU, Euratom) No 966/2012 and in Article 188(1) of Delegated Regulation (EU) No 1268/2012. The work programme is constituted by the Annex 1 (section 4.3.1).

(10) The Commission should entrust budget-implementation tasks under indirect management to the entities identified in this Decision, subject to the conclusion of a delegation agreement. In accordance with Article 60(1) and (2) of Regulation (EU, Euratom) No 966/2012, the authorising officer responsible needs to ensure that these entities guarantee a level of protection of the financial interests of the Union equivalent to that required when the Commission manages Union funds. UNICEF, WFP, UNDP, UN-HABITAT and GIZ are currently undergoing the assessment under Regulation (EU, Euratom) No 966/2012. In anticipation of the results of this review, the authorising officer responsible deems that, based on the entities’ positive assessment under Regulation (EC, Euratom) No 1605/2002 and on the long-standing and problem-free cooperation with them, budget-implementation tasks can be entrusted to these entities.

(11) The Commission should authorise the eligibility of costs under indirect management as of a date preceding the adoption of this Decision for the reasons of extreme urgency in crisis management aid or in situations of imminent or immediate danger to the stability of a country, including by an armed conflict, where an early involvement engagement of the Union may prevent an escalation.

(12) It is necessary to allow the payment of interest due for late payment on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012.

(13) Pursuant to Article 94(4) of Delegated Regulation (EU) No 1268/2012, the Commission should define changes to this Decision which are not substantial in order to ensure that any such changes can be adopted by the authorising officer responsible.
