COMMISSION DECISION

of 18.12.2014

on the complementarity financing decision for the Neighbourhood Investment Facility to be financed from the general budget of the European Union

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Whereas:

(1) The Commission has adopted the Annual Action Programme "European Neighbourhood wide Action Programme 2014" which foresees the EU contribution to the Neighbourhood Investment facility. Following the selection process foreseen in this Annual Action Programme, the projects to be implemented have been selected.

(2) For projects to be implemented under indirect management, it is necessary to adopt this Decision in order to provide the elements required by the second subparagraph of Article 84(3) of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council,

(3) The Commission should entrust budget-implementation tasks under indirect management to the entities specified in the Annex to this Decision, subject to the conclusion of a delegation agreement. In accordance with Article 60(1) and (2) of Regulation (EU, Euratom) No 966/2012, the authorising officer responsible needs to ensure that these entities guarantee a level of protection of the financial interests of the Union equivalent to that required when the Commission manages Union funds. The European Investment Bank (EIB), Agence Française de Développement (AFD), Kreditanstalt für Wiederaufbau (KfW) and the European Bank for Reconstruction and Development (EBRD) are currently undergoing the assessment under Regulation (EU, Euratom) No 966/2012. In anticipation of the results of this review, the authorising officer responsible deems that, based on the entities’ positive assessment under Council Regulation (EC, Euratom) No 1605/2002 and on the long-standing and problem-free cooperation with them, budget-implementation tasks can be entrusted to these entities.

HAS DECIDED AS FOLLOWS:
