COMMISSION IMPLEMENTING DECISION

of 9.7.2020

on the annual action programme in favour of the Republic of Armenia for 2020 (Part 2)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union (TFEU),

Having regard to Regulation (EU) No 236/2014 of the European Parliament and of the Council of 11 March 2014 laying down common rules and procedures for the implementation of the Union's instruments for financing external action, and in particular Article 2(1) thereof,

Whereas:

(1) In order to ensure the implementation of the annual action programme in favour of the Republic of Armenia for 2020 (Part 2), it is necessary to adopt an annual financing Decision, which constitutes the annual work programme, for 2020. Article 110 of Regulation (EU, Euratom) 2018/1046 establishes detailed rules on financing decisions.

(2) The envisaged assistance is deemed to follow the conditions and procedures set out by the restrictive measures adopted pursuant to Article 215 TFEU.

(3) The Commission has adopted the Single Support Framework in favour of the Republic of Armenia for the period 2017-2020, which sets out the following priorities: economic development and market opportunities; strengthening institutions and good governance; connectivity, energy efficiency, environment and climate change; mobility and people-to-people contacts as well as complementary support for capacity development/institution building and strategic communication and for civil society development.

In case of discrepancy between the published legal acts and the updates on the website it is the OJ version that prevails.
The objective pursued by the annual action programme to be financed under the European Neighbourhood Instrument is to support economic and financial resilience of the state’s institutions in response to the COVID-19 outbreak.

The action entitled ‘COVID-19 Resilience Contract for Armenia’ aims to help minimise the fiscal gap, enhance government’s capacity to address short-term needs in the health sector and mitigate socio/economic impact in a strategic coordinated way, as well as ensure a continuity of quality service delivery to the most vulnerable members of society.

It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of Regulation (EU, Euratom) 2018/1046.

In order to allow for flexibility in the implementation of the programme, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) of Regulation (EU, Euratom) 2018/1046.

The actions provided for in this Decision are in accordance with the opinion of the European Neighbourhood Instrument Committee established under Article 15 of the financing instrument referred to in recital 4.

HAS DECIDED AS FOLLOWS:

**Article 1**

Increases or decreases of up to EUR 10 million not exceeding 20% of the contribution set in the first paragraph of Article 2, or cumulated changes to the allocations of specific actions not exceeding 20% of that contribution, as well as extensions of the implementation period shall not be considered substantial within the meaning of Article 110(5) of Regulation (EU, Euratom) 2018/1046, where these changes do not significantly affect the nature and objectives of the actions.

The authorising officer responsible may apply the changes referred to in the first paragraph acting in accordance with the principles of sound financial management and proportionality.
