COMMISSION IMPLEMENTING DECISION

of 2.12.2015

on the Special Measure 2015 for Decentralisation Reform in favour of Ukraine to be financed from the general budget of the European Union

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 236/2014 of the European Parliament and of the Council of 11 March 2014 laying down common rules and procedures for the implementation of the Union’s instruments for financing external action\(^1\) and in particular Article 2(1) thereof,

Whereas:

(1) The European Council on 19 March 2015 confirmed the EU support to Ukraine's reform process, together with other donors and in line with the International Monetary Fund (IMF) conditionality. It acknowledged the Ukrainian Government’s reform efforts so far and called on it to further intensify its work.

(2) Due to the fragile situation in Ukraine it was not possible to finalise the multi-annual programming exercise. In order to face the urgent needs related to the transition process in the country the Commission opted for implementing a Special Measure in 2015.

(3) The objective pursued by the Special Measure to be financed under the European Neighbourhood Instrument\(^3\) is to contribute to the implementation of the decentralisation reform which is a key priority in Ukraine's reform programme and in the Association Agenda for the implementation of the Association Agreement. The Special Measure contains one action.

(4) The action entitled “U-LEAD with Europe: Ukraine Local Empowerment, Accountability and Development Programme” contributes to the establishment of multilevel governance which is transparent, accountable and responsive to the needs of the population. The action intends to enhance the institutional capacity of key actors at central, regional and local level and to improve the delivery of local administrative services and foster economic development. The action will be implemented under direct management through service contracts and under indirect management with Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) and with Swedish International Development Cooperation Agency (SIDA).

\(^1\) OJ L 77, 15.3.2014, p. 95.
(5) It is necessary to adopt a financing decision the detailed rules of which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/2012.

(6) The Commission should entrust budget-implementation tasks under indirect management to the entities specified in this Decision, subject to the conclusion of a delegation agreement. In accordance with Article 60(1) and (2) of Regulation (EU, Euratom) No 966/2012, the authorising officer responsible needs to ensure that these entities guarantee a level of protection of the financial interests of the Union equivalent to that required when the Commission manages Union funds.

(7) It is necessary to allow the payment of interest due for late payment on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012.

(8) Pursuant to Article 94(4) of Delegated Regulation (EU) No 1268/2012, the Commission should define changes to this Decision which are not substantial in order to ensure that any such changes can be adopted by the authorising officer responsible.

(9) The measure provided for in this Decision is in accordance with the opinion of the European Neighbourhood Instrument Committee set up by Article 15 of the ENI Regulation.
