THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 236/2014 of the European Parliament and of the Council of 11 March 2014 laying down common rules and procedures for the implementation of the Union's instruments for financing external action\(^1\), and in particular Article 2(1) thereof,

Whereas:

(1) The European Council on 19 March 2015 confirmed the EU support to Ukraine's reform process, together with other donors and in line with the International Monetary Fund (IMF) conditionality. It acknowledged the Ukrainian Government's reform efforts so far and called on it to further intensify its work.

(2) In the framework of the fragile situation in Ukraine it was not possible to finalise the multi-annual programming exercise. In order to face the urgent needs related to the transition process in the country the Commission opted for implementing a Special Measure III in 2016.

(3) The objective pursued by the Special Measure III 2016 to be financed under the European Neighbourhood Instrument (ENI)\(^3\), is to contribute to reform of the Rule of Law system in Ukraine and to align its functioning with the best European and international practices. The Special Measure contains one action.

(4) The action entitled “Support to Rule of Law Reforms in Ukraine (PRAVO)” contributes to providing strategic means and technical expertise to Ukraine in order to successfully complete the reform of the justice sector and delivering the necessary support to the National Police and other Ukrainian authorities in charge of law-enforcement. The action will be implemented under direct management through service contracts and under indirect management with Expertise France (EF) and United Nation Office for Project Services (UNOPS).
