It is necessary to adopt a financing decision the detailed rules of which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/2012.

It is necessary to adopt a work programme for grants in accordance with Article 128(1) of Regulation (EU, Euratom) No 966/2012 and Article 188(1) of Delegated Regulation (EU) No 1268/2012. The work programme is set out in the Annexes.

The Commission should entrust budget-implementation tasks under indirect management to the entity specified in the Annex 3 to this Decision, subject to the conclusion of a delegation agreement. In accordance with Article 60(1) and (2) of Regulation (EU, Euratom) No 966/2012, the authorising officer responsible needs to ensure that this entity guarantees a level of protection of the financial interests of the European Union equivalent to that required when the Commission manages Union funds. This entity complies with the conditions of points (a) to (d) of the first subparagraph of Article 60(2) of Regulation (EU, Euratom) No 966/2012 and the supervisory and support measures are in place as necessary.

The authorising officer responsible should be able to award grants without a call for proposals only in the exceptional cases set out in Article 190 of Delegated Regulation (EU) No 1268/2012.

It is necessary to allow for the payment of interest due for late payment on the basis of Article 92 of Regulation (EU, Euratom) No 966/2012 and Article 111(4) of Delegated Regulation (EU) No 1268/2012.

Pursuant to Article 94(4) of Delegated Regulation (EU) No 1268/2012, any substantial change to a financing decision that has already been adopted should follow the same procedure as the initial decision. It is therefore appropriate that the Commission defines the changes to this Decision that are considered non-substantial in order to ensure that any such changes can be adopted by the authorising officer responsible.

The measures provided for in this Decision are in accordance with the opinion of the European Neighbourhood Instrument Committee established under Article 15 of Regulation (EU) No 232/2014.
