ANNEX 6 SUMMARY FOR PUBLICATION IN THE OFFICIAL JOURNAL

2000 Hungary – Austria PHARE CBC Programme

The European Commission has agreed upon the 2000 Hungary – Austria PHARE CBC Programme in the framework of the PHARE programme.

The European Community will contribute up to a maximum of 10 million Euros from budget line to this programme which must be implemented by 15 December 2003.

The main Components of this programme are as follows:

**Project 1:**
Nagykanizsa-Regional Waste Deposit: 1,5 MEUR

**Project 2:**
2nd phase of the Gyor-Pér Airfield rehabilitation: 2,2 MEUR

**Project 3:**
Small Project Fund: 2 MEUR

**Project 4:**
Integrated regional information system: 2 MEUR

**Project 5:**
Biomass Heating Plants in Szombathely and Körmend: 2,3 MEUR

The Contracting Authority:
Ministry of Agriculture and Regional Development, Phare Regional Development Implementing Agency
1032 Gellértthegy utca 30-32
Budapest, Hungary
Telephone: 36/1-488-71-71
Fax: 36/1-488-71-88

Further information about this programme can be obtained from:
(a) the Contracting Authority (as above);
(b) the Phare internet service at: [http://europa.eu.int/comm/dg1a/phare](http://europa.eu.int/comm/dg1a/phare).

In accordance with Phare procurement rules, only part of this programme will be procured by restricted tender.

Further tender opportunity details will be available as follows:
(a) for service tenders from the Phare internet service at the above address. For tenders above 10 MEUR details will also appear in the Official Journal of the European Communities.
(b) for all supply tenders above 300,000 EUR and for all works tenders above 1 MEUR details will appear in the Official Journal of the European Communities.

Tender opportunities below these amounts will also be published, but this may be done only locally.
