PHARE 2004

STANDARD PROJECT FICHE
for PARTICIPATION IN COMMUNITY PROGRAMMES

(1) Basic Information

(a) CRIS number: PHARE 2004/016-772.06.01
(b) Country: Romania
Title: Participation in Community Programmes

(2) Description

On the basis of Association Council Decisions and Agreements, Candidate Countries may participate in certain European Community programmes and agencies. The Phare programme can be used to help a Candidate Country to meet on the basis of an increasing contribution from the Candidate Country part of the costs of participating in those programmes and agencies. As from 2001, these funds are made available each year as part of the Phare national programme so as to co-finance the financial contribution to be paid by the country to participate in these programmes and agencies in the following year.

A maximum of 10% of the Phare National Programme may be used to co-finance participation in Community programmes other than the Research and Development Framework Programme (R&D). Participation in the R&D programme does not count towards the 10% limit.

**Special conditions**

1 The existing provisions of the Association Council decision for participation of Romania in the Culture 2000 Programme (2000-2004) should be extended to the years 2005 and 2006, following the decision to extend duration of the programme for 2 years (2005-2006).

2 Conditional, as stipulated under Special conditions

3 The Reserve of Phare funds may be used for reinforcing participation in ongoing and starting participation in new Community programmes.
The support to the Leonardo programme from the 2004 National Phare Programme is conditional on the resolution of the serious problems of the Agency in Romania. 1. The National Fund is responsible for the Phare part of the financial contribution to be paid by the country to participate in Community programmes.

2. Upon signature of the Financing Memorandum for the Phare National Programme the National Fund will request from the Commission the transfer of the full amount of the Phare support indicated under section 3 above. These funds must be used to pay the Phare part of the financial contribution to be paid by the country to participate in Community programmes.

3. The various Commission services responsible for the different programmes or agencies will send to the Mission of Romania to the EU a request for the total financial contribution for the participation in a given programme or agency ("call for funds"). The National Fund should check the amount to be financed from Phare funds and then transfer that amount as per the call for funds to the Commission service responsible. When making the payment for each programme, the National Fund should quote the reference number indicated in the call for funds for the programme concerned, and send simultaneously a copy of the payment order to the relevant Commission service.
