

## Frequently asked questions:

Q1 What actors are you looking for, in the implementation of this specific challenge?

A1. The proposals may include partners such as accelerators, incubators, financing organisations, coworking spaces and other organisations active in the web entrepreneurial ecosystem.

Q2. Why are the activities under ICT 13, point a, financed only at 70% ?

A2 Because this is the funding rate for innovation actions under Horizon 2020.

Q3. Can I get funding in order to develop an innovative web business idea?

A3. No, specific challenge ICT 13 is not providing direct financial support for web entrepreneurs. It will fund services which would help web entrepreneurs to start and grow a business.
