

Facebook key milestones for the Implementation of the Code of Practice on Disinformation:

Date	Milestone	Description
Summer 2018 (already past)	Launch of Pages and Ads transparency services	Controls for users to view more information about Pages and their active ads - this enables transparency about the full range of political actors' ads
26 September 2018	Signing the Code of Practice	The final Code of Practice to be signed
Autumn 2018	Best practice training and election integrity presentations in the European Parliament	Training for all European Parliament political groups on election integrity and use of FB as a campaigning tool
Autumn 2018	"EU Conversations": Elections Integrity Roundtable Event	Event with key stakeholders to discuss and raise awareness on elections integrity efforts
Autumn 2018	Election Integrity online resources	Dedicated online resources with information on Facebook's civic tools and best practices on how to engage constituents, security tips and news literacy
Spring 2019	Launch of Political Ads transparency tools	Roll out political ad labelling and the political ads library across the whole EU
