Digital Champion for Belgium

Saskia Van Uffelen

Main achievements and projects

- [BeCentral](#), a digital hub in Brussels established by the partners of the National Coalition, home for many trainings in digital skills and startups is fully operative as of October 2017.
- Digital Skills Fairs. First fair took place in May 2017, second in May 2018. Helped with getting to know the landscape of digital activities taking place in Belgium and build a strong network.
- [Digital Belgium Skills Fund](#) (of 18 million EUR), already two calls for best projects took place, in 2018 37 projects received financial support from the fund.

Other priority

Attracting girls and women to ICT
