

## SLOVAKIA

The Slovak National Coalition (Digitálna Koalícia) brings together partners from the government, private, non-profit, and academic sectors to prepare Slovaks of all ages for work and life in the emerging digital economy. The coalition's activities have reached more than 30 000 people so far.

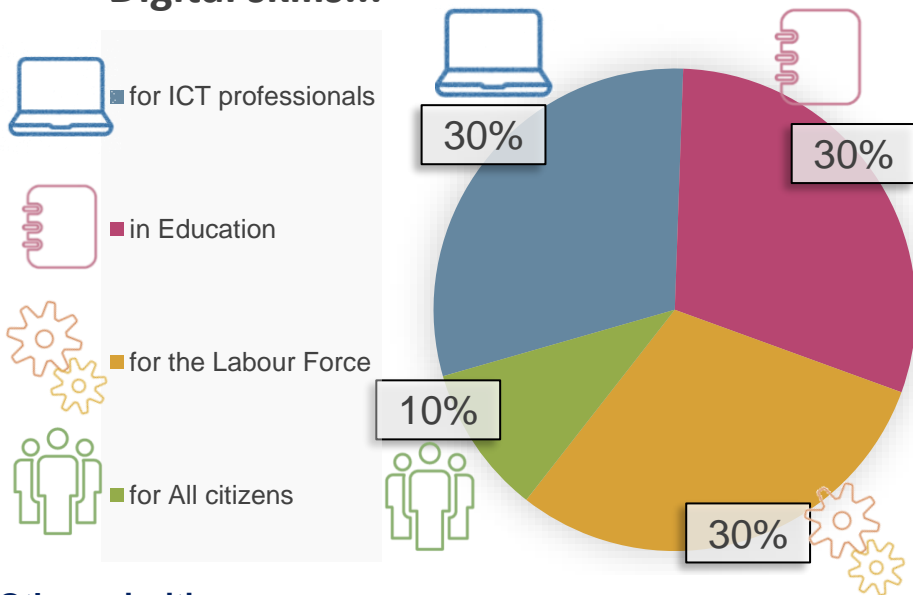

**Coordinator**

ITAS - IT Association of Slovakia

**Digital Champion for Slovakia**  
Martina Slabejová

### Share of activities by target groups (as %)

#### Digital skills...

see more partners at: <http://digitalnakoalicia.sk/>

#### Main achievements and projects

- 26 September 2017 – [launch](#) of the Slovak Digital Skills and Jobs Coalition. First members signed memorandum and made pledges.
- August 2018: the coalition has 52 members from different sectors with 180 measurable commitments (pledges), as well as 5 specific partnerships created between members e.g. scholarships for foreign students to study ICT in Slovakia.
- [IT Fitness Test](#). The test is following DigComp 2.1 and gives participants guidance as to where they can improve their digital skills.
- Project [IT Akademia](#) aims at transforming the educational system, updating teachers and educators' digital skills and encourage young people to consider careers in the digital sector.
