Meta

About the Signatory

Meta's mission is to give people the power to build community and bring the world closer together. We build technology that helps people connect, find communities, and grow businesses. We help people discover and learn about what is going on in the world around them, enable people to share their opinions, ideas, photos and videos, and other activities with audiences ranging from their closest family members and friends to the public at large, and stay connected everywhere by accessing our products. And we are building new ways to help people explore their interests and connect with the people they care about, including by building products and experiences for the metaverse.

Service name	Description of the service
Facebook	Facebook helps give people the power to build community and bring the world closer together. It's a place for people to share life's moments and discuss what's happening, nurture and build relationships, discover and connect to interests, and create economic opportunity.
Instagram	Instagram brings people closer to the people and things they love. Creators can express themselves and push culture forward through a variety of ways, including photos, video, and connecting with and shopping from their favourite businesses.

Messenger	Messenger is a free messaging service provided by Meta, enabling users to communicate through messages, voice, video calls and video chats, sending images and video, and sharing your location with others when you choose.
WhatsApp	WhatsApp provides a free messaging service that allows users to exchange messages including chats, group chats, images, videos, voice messages, and files.

Disclaimer:

- Signing up to the Commitments and Measures as set out in this document is without prejudice to the VLOP designation of the relevant services.
- Signing up doesn't constitute that all Services provided by a Signatory, which may be categorized as VLOPs under DSA, are in scope of the Code.
- Meta is committed to the goals underpinning the Code and creating a safe online environment for users. Implementation timeline for the code may be impacted by changes in the regulatory landscape, including the DSA. Should that be the case, Meta will communicate transparently with the Taskforce.

<u>Commitment 17</u> In light of the European Commission's initiatives in the area of media literacy, including the new Digital Education Action Plan, Relevant Signatories commit to continue and strengthen their efforts in the area of media literacy and critical thinking, also with the aim to include vulnerable groups	<u>Measure 17.1</u>	Facebook, Instagram	
	<u>Measure 17.2</u>	Facebook, Instagram	
	<u>Measure 17.3</u>	Facebook, Instagram	
Reasons for <i>not subscribing</i> to Commitment 17 (if applicable):			
<u>Commitment 18</u> Relevant Signatories commit to minimise the risks of viral propagation of misinformation or disinformation by adopting safe design practices as they develop their systems, policies, and features	<u>Measure 18.1</u>	Facebook, Instagram	
	<u>Measure 18.2</u>	Facebook, Instagram	
	<u>Measure 18.3</u>	Facebook, Instagram	

Reasons for *not subscribing to Commitment 18* (if applicable):

<p><u>Commitment 19</u></p> <p>Relevant Signatories using recommender systems commit to make them transparent to the recipients regarding the main criteria and parameters used for prioritising or deprioritising information, and provide options to users about recommender systems, and make available information on those options</p>	<p><u>Measure 19.1</u></p>	<p>Facebook, Instagram</p>	
	<p><u>Measure 19.2</u></p>	<p>Facebook, Instagram</p>	

Reason for *not subscribing to Commitment 19* (if applicable):

<p><u>Commitment 20</u></p> <p>Relevant Signatories commit to empower users with tools to assess the provenance and edit history or authenticity or accuracy of digital content</p>	<p><u>Measure 20.1</u></p>	<p>N/A</p>	
	<p><u>Measure 20.2</u></p>	<p>N/A</p>	

Reason for *not subscribing to Commitment 20* (if applicable): Tools assessing provenance and edit history of digital content are one of several ways to empower users to make more informed decisions about the content they see online. Other tools to achieve this objective, including as set forth in Commitment 21 are relevant and pertinent to our subscribed products at this time.

<p><u>Commitment 21</u></p> <p>Relevant Signatories commit to strengthen their efforts to better equip users to identify Disinformation. In particular, in order to enable users</p>	<p><u>Measure 21.1</u></p>	<p>Facebook, Instagram</p>	
	<p><u>Measure 21.2</u></p>	<p>Facebook, Instagram</p>	

<p>to navigate services in an informed way, Relevant Signatories commit to facilitate, across all Member States languages in which their services are provided, user access to tools for assessing the factual accuracy of sources through fact-checks from fact-checking organisations that have flagged potential Disinformation, as well as warning labels from other authoritative sources</p>	<p><u>Measure 21.3</u></p>	<p>Facebook, Instagram</p>	
<p>Reason for <i>not subscribing</i> to Commitment 21 (if applicable):</p>			
<p><u>Commitment 22</u></p> <p>Relevant Signatories commit to provide users with tools to help them make more informed decisions when they encounter online information that may be false or misleading, and to facilitate user access to tools and information to assess the trustworthiness of information sources, such as indicators of trustworthiness for informed online navigation, particularly relating to societal issues or debates of general interest</p>	<p><u>Measure 22.1</u></p>	<p>N/A</p>	
	<p><u>Measure 22.2</u></p>	<p>N/A</p>	
	<p><u>Measure 22.3</u></p>	<p>N/A</p>	
	<p><u>Measure 22.4</u></p>	<p>N/A</p>	<p>Measure 22.4 applies to signatories providing trustworthiness indicators.</p>
	<p><u>Measure 22.5</u></p>	<p>N/A</p>	<p>Measure 22.5 applies to signatories providing trustworthiness indicators.</p>
	<p><u>Measure 22.6</u></p>	<p>N/A</p>	<p>Measure 22.6 applies to signatories providing trustworthiness indicators.</p>

	<u>Measure 22.7</u>	N/A	Facebook and Instagram use products/features in Measure 22.7 such as information panels under Commitment 21.
<p>Reason for <i>not subscribing to Commitment 22</i> (if applicable):</p> <p>Trustworthiness indicators are one of several ways to empower users to make more informed decisions about the content they see online. This is acknowledged by the Commission’s 2021 Guidance, which describes them as a tool signatories “could” explore, and negotiations of the updated Code which confirmed this to be a direction signatories are encouraged but not expected to follow. Other tools to achieve this objective covered elsewhere in this section - Commitment 21 in particular - are relevant and pertinent for our subscribed products at this time.</p>			
<p><u>Commitment 23</u></p> <p>Relevant Signatories commit to provide users with the functionality to flag harmful false and/or misleading information that violates Signatories policies or terms of service</p>	<u>Measure 23.1</u>	Facebook, Instagram	
	<u>Measure 23.2</u>	Facebook, Instagram	
<p>Reason for <i>not subscribing to Commitment 23</i> (if applicable):</p>			
<p><u>Commitment 24</u></p> <p>Relevant Signatories commit to inform users whose content or accounts has been subject to enforcement actions (content/accounts labelled, demoted or otherwise enforced on) taken on the basis of violation of policies relevant to this section (as outlined in Measure 18.2), and provide them with the possibility to appeal against the enforcement action at issue and to handle complaints in a timely, diligent, transparent, and objective manner and to reverse the action without undue delay where the complaint is deemed to be founded</p>	<u>Measure 24.1</u>	Facebook, Instagram	

Reason for <i>not subscribing</i> to Commitment 24 (if applicable):			
<u>Commitment 25</u> In order to help users of private messaging services to identify possible disinformation disseminated through such services, Relevant Signatories that provide messaging applications commit to continue to build and implement features or initiatives that empower users to think critically about information they receive and help them to determine whether it is accurate, without any weakening of encryption and with due regard to the protection of privacy	<u>Measure 25.1</u>	Messenger, WhatsApp	
	<u>Measure 25.2</u>	Messenger, WhatsApp	
Reason for <i>not subscribing</i> to Commitment 25 (if applicable):
