• 7th meeting of the FAB Task Force and INFO day, November 2017
The FAB Flagship Initiative

Letter of Intent on R&I cooperation in FAB + 1st Innovation Cooperation Dialogue

EU-China Summit, Beijing, November 2013
The FAB Flagship Initiative

INFOday, Shenzhen, November 2017

7th FAB Task Force meeting, Shenzhen, November 2017
7 topics targeting EU-China cooperation

7 selected projects in 2014
LANDMARK (soil quality and function)
ISQAPER (soil quality and function)
FEED-A-GENE (genetics for livestock production)
SAPHIR (animal diseases)
PARAGONE (animal diseases)
EUCLID (Integrated Pest Management)
REFRESH (food waste)

4 selected projects in 2015
AGROCYCLE (Sustainable use of agricultural waste)
NoAW (Sustainable use of agricultural waste)
MycKey (Biological contamination of crops)
MyToolBox (Biological contamination of crops)
Work Programme 2016/2017

5 topics (identified and drafted together)

2 selected projects under 2016 call
EUCLEG (plant breeding)
EU-CHINA SAFE (processed agri-food products)

3 selected projects under 2017 call
SiEUGREEN (urban agriculture)

Grants Agreements under preparation for the following topics:

• Alternative production system to address anti-microbial drug usage, animal welfare and the impact on health

• Management of soil water resources in the EU and China and its impact on agro-ecosystem functions
Work Programme 2018/2020

4 topics (identified and drafted together)

- **SFS-37-2019**: Integrated approaches to food safety controls across the food chain – deadline for proposals 23 January 2019
- **SFS-38-2018**: Highly efficient management of soil quality and land resources – call is closed already
- **CE-SFS-39-2019**: High-quality organic fertilisers from biogas digestate – deadline for proposals 23 January 2019
- **SFS-40-2020**: Healthy soils for healthy food production – full text of the topic and deadline for proposals will be published early 2019
Thank You!
谢谢
