ANNEX I

RULES GOVERNING THE FINANCIAL CONTRIBUTION OF SERBIA TO "CREATIVE EUROPE": THE UNION PROGRAMME FOR THE CULTURAL AND CREATIVE SECTORS

The annual financial contribution to be paid by Serbia to the General Budget of the European Union to participate in the Culture Sub-programme and the Cross-sectoral Strand of the Programme (with the exception of the Cultural and Creative Sectors Guarantee Facility as mentioned in article 14 and in accordance with article 8(4) of Regulation (EU) No 1295/2013), shall be EUR 160 000.

As from the 1st of January of the year of the written confirmation by the responsible Commission service(s) that Serbia meets the conditions set out in Directive 2010/13/EU of the European Parliament and of the Council of 10 March 2010, Serbia shall pay an annual contribution of EUR 285 000 to participate in the MEDIA Sub-programme. Serbia's contribution for the first year of participation may be amended in writing by common consent of the parties. For the subsequent years Serbia shall pay the full amount.

Travel costs and subsistence costs incurred by representatives and experts of Serbia for the purposes of taking part as observers in the work of the committee referred to in Article 23 of Regulation (EU) No 1295/2013 or other meetings related to the implementation of the Programme shall be reimbursed by the Commission on the same basis as and in accordance with the procedures currently in force for representatives of the Member States of the European Union.

The maximum amount of financial support to be allocated by the Programme to the activities of the Creative Europe Desk shall not exceed 50 percent of the total budget for those activities, and will not exceed two thirds of the financial contribution of the country as specified in this Annex I.

Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the General Budget of the European Union shall apply to the management of the contribution of Serbia.

When this Agreement enters into force and at the beginning of each subsequent budgetary year, the Commission shall send Serbia a call for funds corresponding to its contribution of the costs covered by this Agreement.

That contribution shall be paid in euro to a euro denominated bank account of the Commission.

Serbia shall pay its contribution to the annual costs no later than three months after the date of the call, provided that the call for funds is sent by the Commission before 1 March, or at the latest one month after the call for funds is sent if later. Any delay in the payment of the contribution shall give rise to the payment of default interest by Serbia on the outstanding amount from the due date. The interest rate shall be the rate applied by the European Central Bank to its main refinancing operations, as published in the C series of the Official Journal of the European Union, in force on the first calendar day of the months in which the deadline falls, increased by 3.5 percentage points. If the delay in the payment of the contribution is such that it may significantly jeopardise the implementation and management of the Programme, and in the absence of payment 20 working days after a formal letter of reminder has been sent by the Commission to Serbia, participation of Serbia in the Programme for the relevant year will be suspended.

ANNEX II

FINANCIAL CONTROL, RECOVERY AND OTHER ANTIFRAUD MEASURES

I. CONTROLS AND ANTIFRAUD MEASURES BY THE UNION

1. In accordance with the financial regulation applicable to the General Budget of the European Union, and with the other rules referred to in this Agreement, the contracts and grant agreements concluded with beneficiaries of the Programme established in Serbia shall provide for financial or other audits to be conducted at any time during the implementation of the contract or the grant agreement and for a period of 5 years, starting from the date of payment of the balance, except for grants of an amount equal or lower than EUR 60 000 for which this period shall be limited to 3 years. The financial or other audits shall be conducted on the premises of the contractors and their subcontractors and on the premises of the beneficiaries and their contractors and subcontractors by Commission agents or by other persons mandated by the Commission.
2. Commission agents and other persons mandated by the Commission shall have appropriate access to sites, works and documents and to all the information required in order to carry out such audits, including in electronic form. This right of access shall be stated explicitly in the contracts and grant agreements concluded to implement the instruments referred to in this Agreement. The European Court of Auditors shall have the same rights as the Commission.
3. Within the framework of this Agreement, the Commission/OLAF (the European Anti Fraud Office) shall be authorised to carry out on-the-spot checks and inspections on territory of Serbia, in accordance with the procedural provisions of Council Regulation (Euratom, EC) No 2185/96 of 11 November 1996⁴.

These checks and inspections shall be prepared and conducted in close collaboration with the competent authorities of Serbia designated by the authorities of Serbia, which shall be notified in good time of the object, purpose and legal basis of the checks and inspections, so that they can provide all the requisite help.

If the authorities of Serbia concerned so wish, the on-the-spot checks and inspections may be carried out jointly with them.

Where the participants in the Programme resist an on-the-spot check or inspection, the authorities of Serbia, acting in accordance with national rules, shall give Commission/OLAF inspectors such assistance as they need to allow them to discharge their duty in carrying out an on-the-spot check or inspection.

The Commission/OLAF shall report as soon as possible to the authorities of Serbia any fact or suspicion relating to an irregularity which has come to its notice in the course of the on-the-spot check or inspection. In any event the Commission/OLAF shall be required to inform the above-mentioned authority of the result of such checks and inspections.

⁴ OJ L 292, 15.11.1996, p.2.

2. The competent authorities of Serbia shall inform the Commission without delay of any fact or suspicion which has come to their notice relating to an irregularity in connection with the conclusion and implementation of the contracts and grant agreements concluded in application of the instruments referred to in this Agreement.

III. ADMINISTRATIVE MEASURES AND PENALTIES

Without prejudice to application of the criminal law of Serbia, administrative measures and penalties may be imposed by the Commission in accordance with the financial regulation applicable to the General Budget of the European Union.

IV. RECOVERY

Decisions taken by the Commission within the scope of this Agreement which impose a pecuniary obligation on persons other than States shall be enforceable in Serbia. The enforcement shall be governed by the rules of civil procedure in force in the State in the territory of which it is carried out. The enforcement order shall be appended to the decision, without other formality than verification of the authenticity of the decision, by the national authority which the Government of Serbia shall designate for this purpose and shall make known to the Commission. When these formalities have been completed on application by the Commission, the latter may proceed to enforcement in accordance with the national law, by bringing the matter directly before the competent authority. The legality of the Commission decision shall be subject to control by the Court of Justice of the European Union.

Judgments delivered by the Court of Justice of the European Union pursuant to an arbitration clause in a contract and a grant agreement within the scope of this Agreement shall be enforceable on the same terms.

V. DIRECT COMMUNICATION

The Commission shall communicate directly with the participants in "Creative Europe", the Union programme for the cultural and creative sectors established in Serbia. They may submit directly to the Commission all relevant information and documentation which they are required to submit on the basis of the instruments referred to in this Agreement and of the contracts and grant agreements concluded to implement them.
