PowerPoint Template Instructions

Instructions:

- To add a new slide:

Copy and paste the slide you want to use depending on the content you want to place

PowerPoint Template Instructions

In the lecture outline slide please enter a short description (150-250 words) of the lecture in the slide notes for voice over.

PowerPoint Template Instructions

IMP: Slide title to fit on one line

To make the eLearning content more effective please include in your slides:

- Images
- Links to YouTube videos (These have to be uploaded to the project YouTube videos)

It is important that images are either

- a) Your own (i.e. you hold copyright):
- b) You have permission to use from the copyright holders
- c) Royalty free images, from online sights such as:

<http://www.freepik.com/>

<http://www.flaticon.com/>

<https://www.iconfinder.com/>

PowerPoint Template Instructions

For Video:
Use Video Template
Slide and add
YouTube link here

To make the eLearning content more engaging for the user we encourage you to use videos as part of your courseware.

Please make sure that you have the required copyrights and permissions to upload videos to this channel.
