## Italian Republic National Day : June 2

The birth of Italian Republic took place after a constitutional referendum which was held at the end of WWII on 2<sup>nd</sup> June 1946. A Constituent Assembly was elected at the same time.

Italy since then has been ruled by the Constitution which came into force on 1 January 1948, one century after the Statuto Albertino had been enacted. The Constitution is composed of 139 articles arranged into three main parts: Fundamental Principles; Part I Rights and Duties of Citizens; Part II the organization of the Republic.

Aldo Moro, nato nel 1916, è stato uno dei padri della Costituzione Italiana e introdusse l'educazione civica nelle scuole. Più volte ministro e presidente del Consiglio, guidò diversi governi di centro-sinistra, aprendo al partito Comunista per realizzare le riforme. Nel 1978 le Brigate Rosse lo rapirono mentre stava andando in Parlamento per votare la fiducia al primo governo con il PCI. Si dibattè se trattare o meno con le Brigate Rosse. Lo Stato non trattò: il 9 Maggio 1978 Moro venne ucciso dai terroristi.

Aldo Moro, born in 1916, was one of the fathers of the Italian Constitution. He introduced "social studies" in Italian schools. He took part into Italian governments both as a Minister and a National Chairman. He led centre-leftist alliances with the Communist party in order to achieve his reform programmes. Kidnapped by the "Brigate Rosse" while he was going to Parliament to express his vote of confidence to the new government he was assassinated on 9<sup>th</sup> May 1978. After a long and serious debate which focused on the possibility to negotiate with terrorists, the government decided not to come to terms with them and it ended up in his murder.

# AVINGUDA DEL NADAL

Nadal és la festivitat cristiana del naixement de Jesús, que correspon al 25 de desembre i el cicle de temps entre l'advent i l'epifania. És, juntament amb la Pasqua, la festa cristiana més important.

El Nadal als Països Catalans disposa de les seves particularitats pròpies, com ara la realització del pessebre i el tió de Nadal. També ho és el fet de celebrar Sant Esteve, l'endemà de Nadal, essent típic reunir-se amb la família.

La Diada de Sant Jordi a Catalunya és una festa que se celebra el 23 d'abril amb el Dia del Llibre i la Fira de les Roses, símbols de la cultura i l'amor, i és també una jornada que reivindica la cultura catalana.
