ERASMUS+ STATISTICS 2015

Erasmus+ strengthens education and youth systems and improves employability through funding for education, training, youth and sport. Between 2014 and 2020, Erasmus+ will give 4 million Europeans a chance to study, train, volunteer or gain professional experience abroad. The budget for Erasmus+ was €2.1 billion in 2015. National agencies are responsible for managing most parts of the programme in each country.

GRANTS FOR STUDYING, TRAINING OR VOLUNTEERING ABROAD

Erasmus+ has opportunities for people of all ages and background, helping them develop and share knowledge and experience at institutions and organisations in different countries. Erasmus+ experiences help people enhance their skills and intercultural awareness and it enables them to become engaged citizens.
