**Venue:**

Brussels

Thursday, 21 January, 2016

**SAVE THE DATE!**

At the end of its first year, the Scientific Panel for Health will be presenting its initial findings at a public conference to be held on 21 January 2016.

The conference will be an opportunity for a wide range of stakeholders in health to participate and provide input into this process, and to meet with members of the Scientific Panel for Health.

Registration is now open. Participation is free.
