**Venue:**

Lingotto Fiere, Via Nizza 294 - Turin

Tuesday, 10 October, 2017

The Polytechnic University of Turin - in collaboration with Turin's Chamber of Commerce and through the EEN-Enterprise Europe Network - is organising the international conference "EU Research Conference - Funding and Policies for Smart Mobility" to be held in Turin (Italy) next 10 October 2017. The event aims at showcasing opportunities to cooperate in R&I projects in smart mobility.
