Synergies between Framework Programmes for Research and Innovation and European Structural and Investment Funds

Contributing to the Interim Evaluation of Horizon 2020
Final Report

Written by the Joint Institute for Innovation Policy (JIIP)
September - 2017

[1]

This publication is the final report of a study that contributed to the interim evaluation of Horizon 2020. It collected information and data on the overall development of synergies between Horizon 2020 and European Structural and Investment Funds. The study provided evidence that there is a legal basis for synergies in place and that there are overall implementation guidelines for all the institutional synergy actors involved.
