Venue:

Brussels, Charlemagne building, Rue de la Loi 170, 1040, Bruxelles

Thursday, 4 July, 2019

Come and learn about the Societal Challenge 2 calls for 2020 and get some practical information on how to successfully apply to the open calls for proposals.

This event is organised together with the brokerage event organised on **3 July 2019** by the [BIOHORIZON](#) [1] project. More information and registration are available [here](#) [2].

This information day is an opportunity for attendees to get some insight into the Societal Challenge 2 calls for proposals of Horizon 2020, for the Work Programme of 2020, covering Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy.

This Info Day targets potential applicants of the calls for proposals published under the Societal Challenge 2 Work Programme for 2018- 2020.

Update: a draft version of the Work Programme for 2018-2020 is available [here](#) [3]. Please take due note of the caveat on the cover page of the draft Work Programme (i.e. in essence that *"This draft has not been adopted or endorsed by the European Commission"*). The Work Programme is expected to be adopted on July 2nd 2019.

[Registration](#) [4] for the event is free of charge and compulsory. However, due to limited space, applications will be accepted on a first-come-first-served basis. Registrations are open until 28 June 2019. Travel and subsistence costs should be covered by the participants.

All sessions will be webstreamed and recorded, and presentations will be published after the event.

The links to the webstreaming will be live on 4 July 2019 from 9:30 onwards.
