

Published on *Horizon 2020* (<https://ec.europa.eu/programmes/horizon2020>)

Wednesday, 31 July, 2019

How should the next EU research and innovation programme be implemented, to ensure that it achieves its ambitious objectives? Where can we simplify further? How should we deal with the novel features in the new programme? What should the legal documents, processes and tools for the programme look like? Share your views now with the European Commission.
