Moderator

Kristina Dely works with Energy Cities for 15 years. Economist by profession, she headed the Covenant of Mayors office between 2009 and 2014 and today is engaged with diverse European projects supporting the sustainable energy transition throughout Central and Eastern Europe.

Energy Cities is the European association of 1000 local authorities in their energy transition from 30 countries. The Covenant of Mayors is the key initiative by the European Commission, whereby over 9000 local authorities have committed to reduce their CO2 emissions by more than 40% by 2030.
