The European Union Youth Strategy 2019-2027 – main objectives

- Enable young people to be architects of their own lives, support their personal development and growth to autonomy, build their resilience and equip them with life skills to cope with a changing world,
- Encourage and equip young people with the necessary resources to become active citizens, agents of solidarity and positive change inspired by EU values and a European identity,

The European Union Youth Strategy 2019-2027 – main objectives

- Improve policy decisions with regard to their impact on young people across all sectors, notably employment, education, health and social inclusion,
- Contribute to the eradication of youth poverty and all forms of discrimination and promote social inclusion of young people.

What governs the EU's investments for 2021–2027?

- A smarter EU.
- A greener, carbon dioxide-free EU.
- A more connected EU.
- A more social EU.
- An EU closer to citizens.
