GYÖR, ARRABONA

EGTC
The business activities of Arrabona EGTC include tender writing, project and financial management, as well as carrying out public relations (PR).

The partners of the EGTC are the local governments, civil societies and local businesses.

Since the establishment of the organization in 2014, it had been managing and implementing projects in the amount of approximately 7 billion HUF (23.000.000 EUR).
Almost 80% of the 7 billion HUF (23 million EUR) investment, had been distributed in the territory of the EGTC, while the other 20% outside of it.
The rate of projects distributed between the partners

- SMEs: 6%
- Governments: 86%
- Civil Societies: 4%
- Church: 2%
Local action group (LAG) - Local Development Strategy of Győr (LDS)

2014-2020
Location of the LAG (Győr)
