Sharing experiences for the future
in Spain, Portugal and Italy

Santiago de Compostela, Spain
28 and 29 November 2019

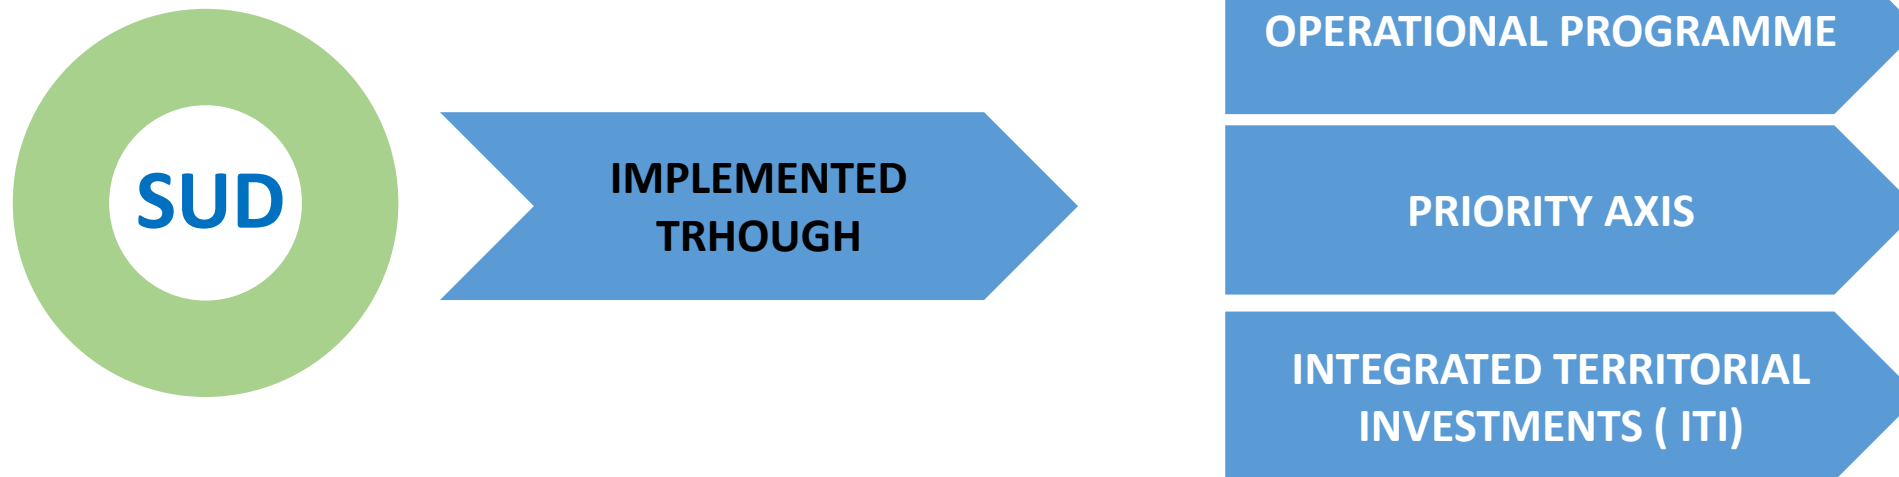

PRESENT: THE LANDSCAPE OF ART.7 IMPLEMENTATION IN SPAIN, ITALY & PORTUGAL AT A GLANCE

Sandra Marín Herbert
UDN Expert

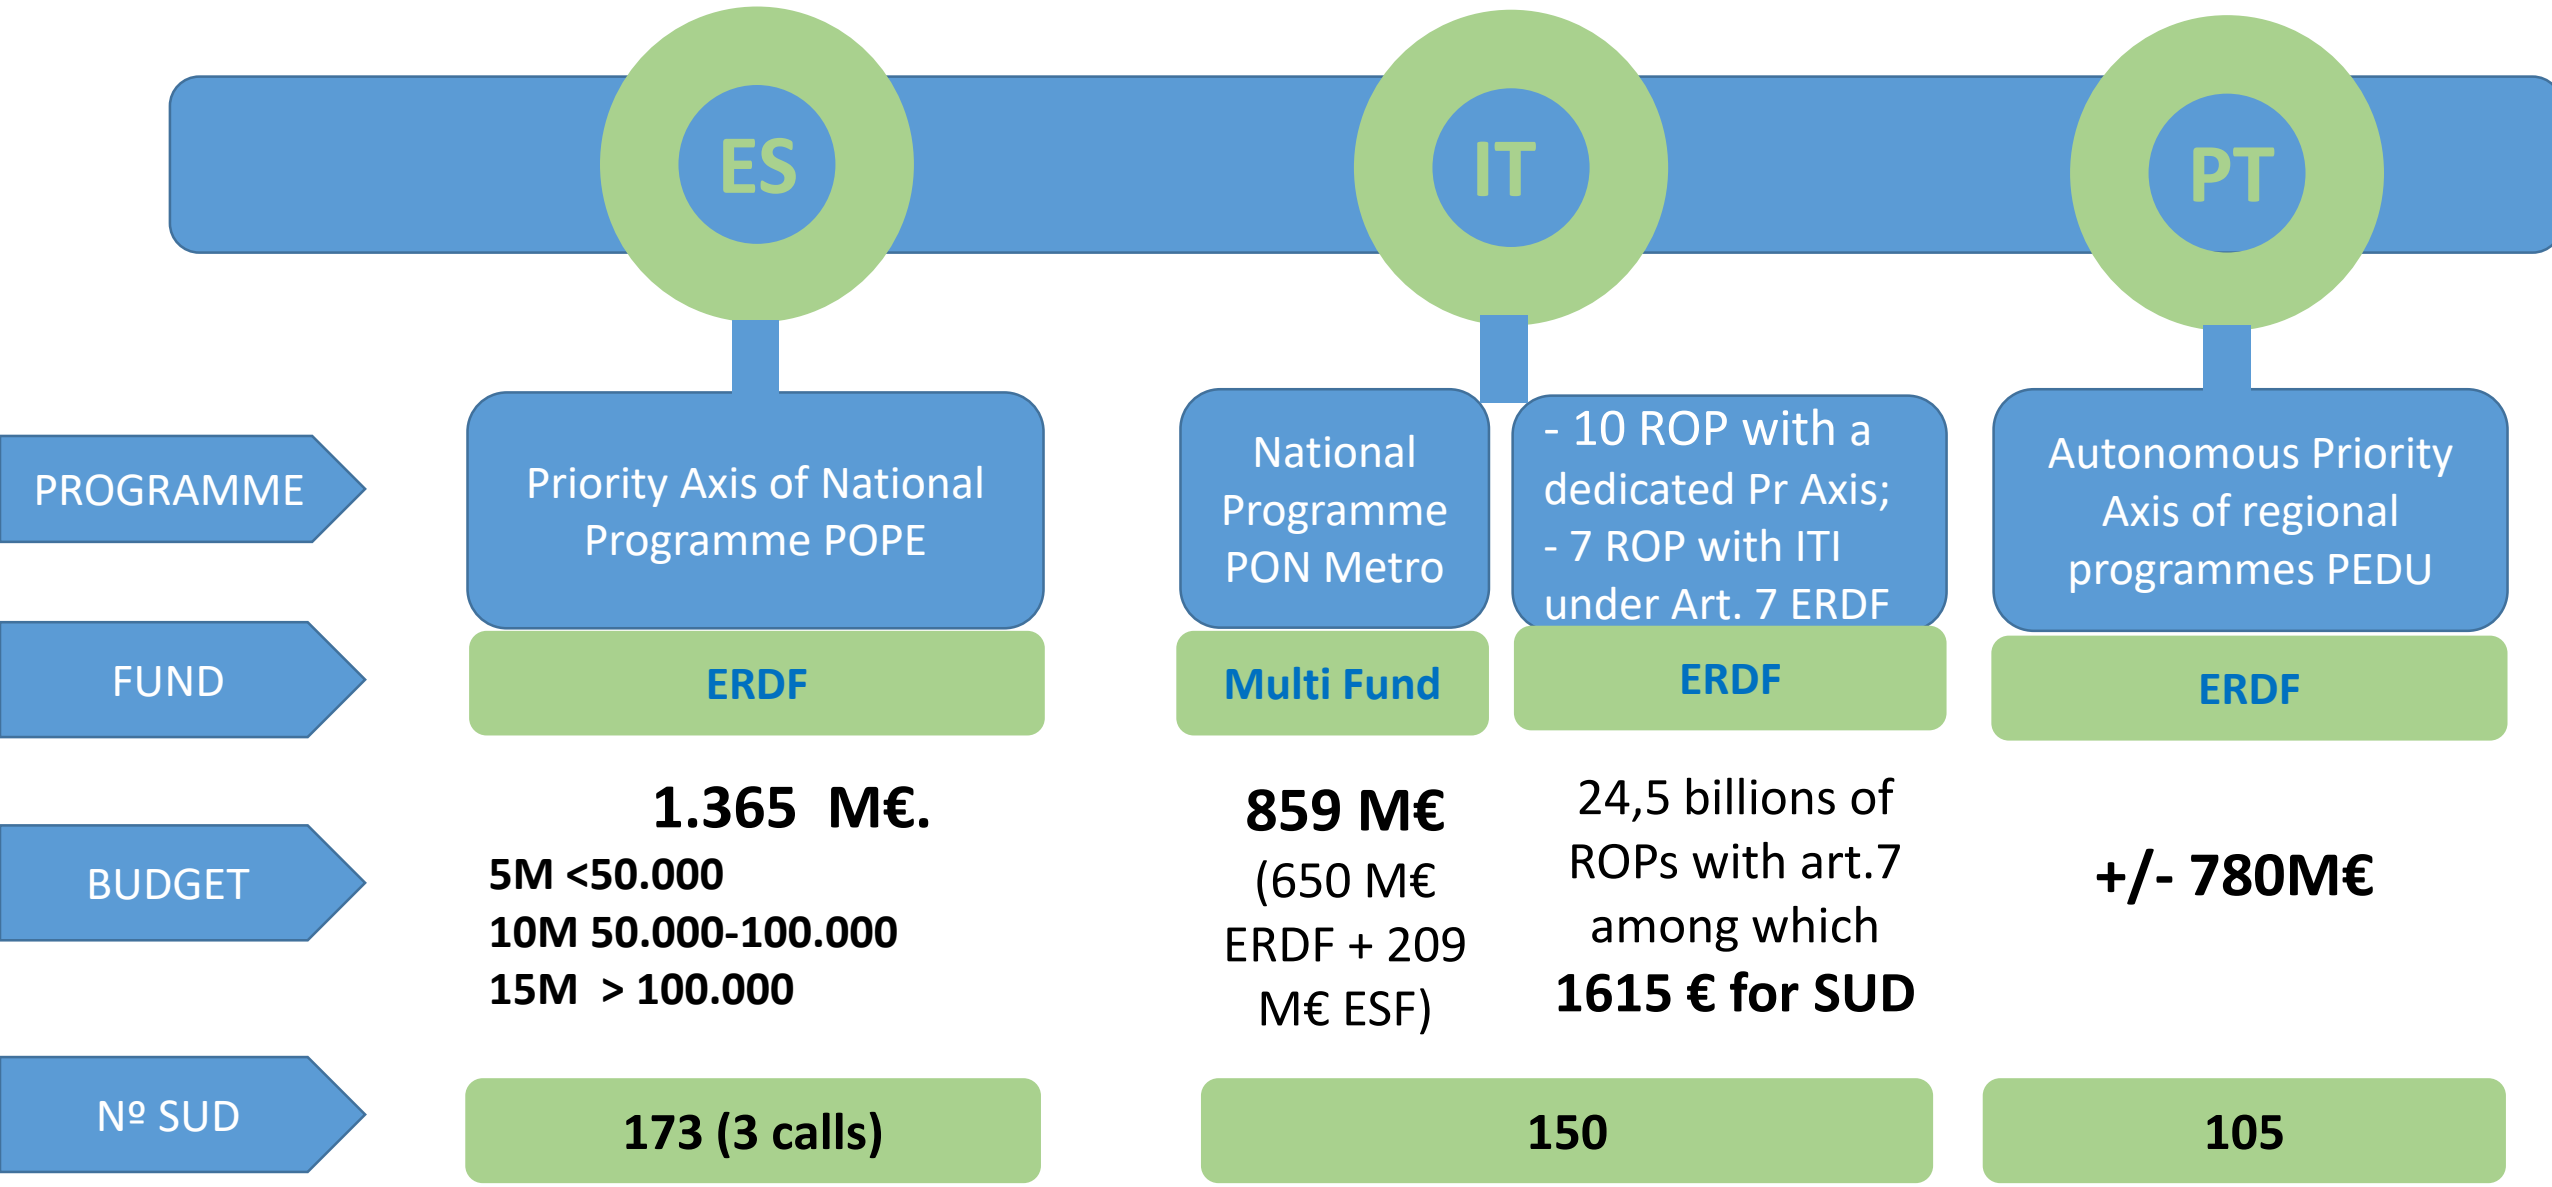

IMPLEMENTATION OF ART. 7

SUD strategies are implemented as part of Article 7 of the ESIF regulation and are obligatory for all Member States

Non-SUD ITI strategies do not have to adhere to the Article 7 requirements and are not obligatory

IMPLEMENTATION MECHANISM....

GOVERNANCE STRUCTURE

ES

Managing Authority
Ministry of Finance (DG Funds)

Managing Intermediate Body for small municipalities
Ministry of Territorial Administration

Managing Intermediate Body for bigger municipalities
Ministry of Finance (Urban Development)

Light Intermediate Bodies-
Municipalities

IT

National Managing Authority NOP
METRO
Agenzia per la Coesione Territoriale

Capital cities of metropolitan cities are the Urban Authority -
Intermediate bodies of the NOP METRO

Regional Managing Authorities

Municipalities as Intermediate bodies. The situation is diversified from region to region

PT

Regional Managing Authorities (Regional OP)

Intermediate Body for some municipalities

Managing Intermediate Body delegated in Intermunicipal Communities by other municipalities

THEMATIC FOCUS

ES

Limited to 4: TO2; TO 6; TO4; TO 9;
including at least (TO9 & TO4)

2

11,90 %

6

29,44 %

4

25,94 %

9

32,72 %

IT

PON METRO: TO2, TO4 & TO9

(OT9 ERDF social infrastructure + OT9 ESF social inclusion & innovation

Regional programmes: TO2, TO3, TO4 & TO9 (3 drivers set at national level) + the possibility of adding an additional driver (usually TO6 and TO5 for physical and environmental rehabilitation)

2

GEOGRAPHICAL COVERAGE, SIZE, POPULATION

POPULATION COVERED
17.811.940

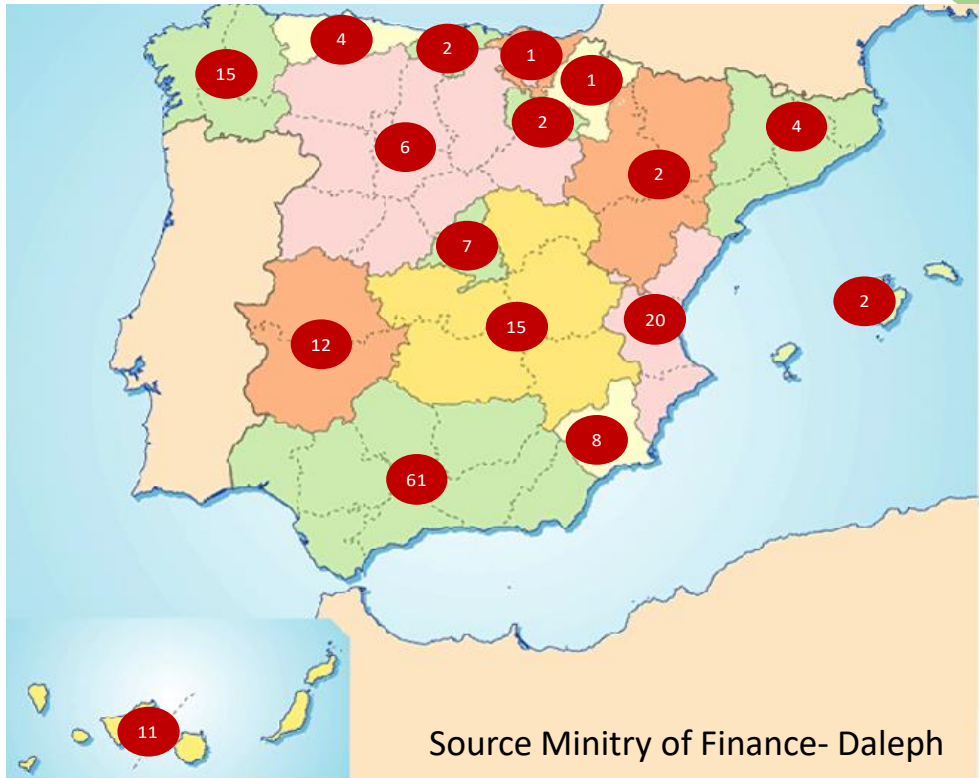

Covering the whole country

173 EDUSI: Estrategias de Desarrollo Urbano Sostenible e Integrado

- SUD presented on their own
- Whole city or a concrete área
- Municipality as promoter & administrative manager

- Together
- One of the cities must be the managing body or an existing or newly created supralocal body

- The most important bigger city must be the managing body or an existing or newly created supralocal body

- Continuity of the urban área
- Common challenges as a functional área
- Managing body, one of the municipalities or an existing or newly created supralocal body

GEOGRAPHICAL COVERAGE, SIZE, POPULATION

POPULATION COVERED
19.500.000

Covering all Italy except: (Valle d'Aosta, Lazio and the two autonomous provinces of Trento and Bolzano).

PON METRO: 14 metropolitan cities
10 mainland + 3 Sicily + 1 Sardinia

Capital city :
Mayor responsible
of the
management

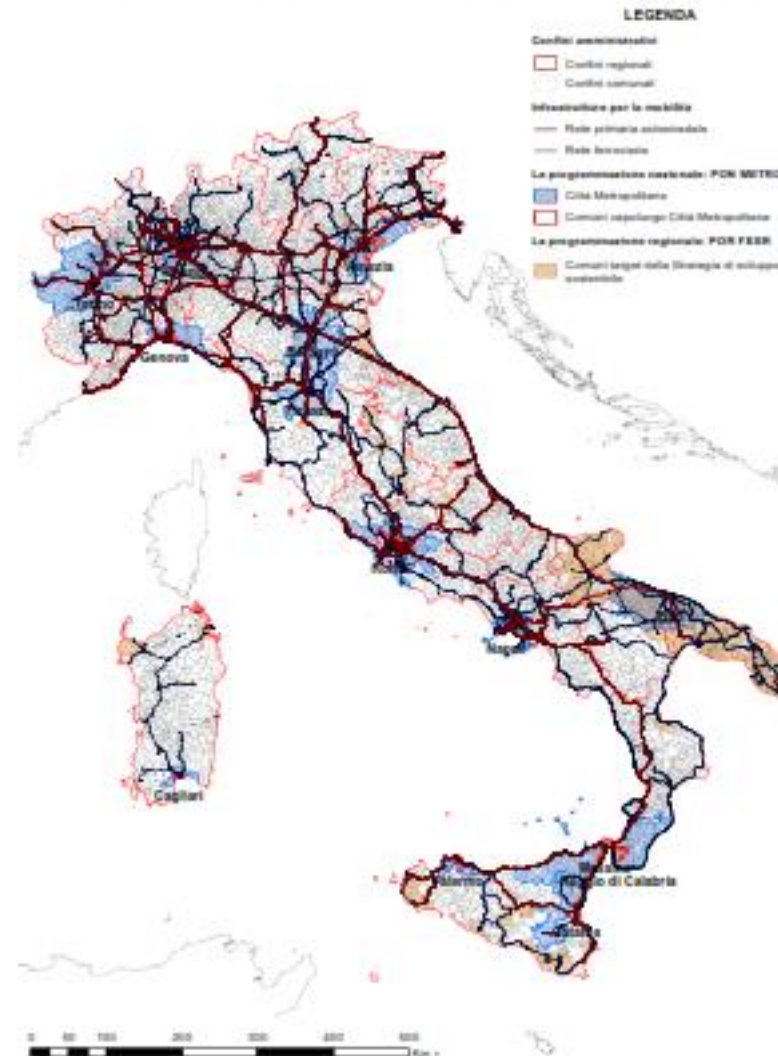

Capital City : “hardware”
ERDF
operations (TO4 and TO9)

Other core municipalities
benefitting from “software”
operations (TO2 ERDF and
TO9 ESF)

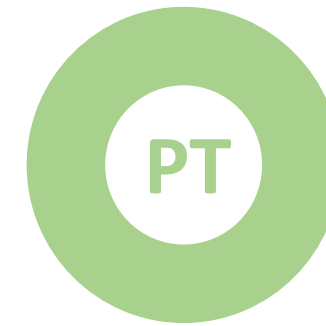

16 REGIONAL OPERATIONAL PROGRAMMES
10 MultiThematic Priority Axis (3 of them multi
fund) + 7 SUD ITI

- Minimum population size: Eg, Campania (50K), Puglia (15K) and Sicily (50K)
- Diversity in each región regarding IB, nº cities involved, etc.
- Overlapping with PON METRO-demarcation coplementarities

LA STRATEGIA DI SVILUPPO URBANO SOSTENIBILE IN ITALIA (art. 7 Reg. (UE) 1301)

GEOGRAPHICAL COVERAGE, SIZE, POPULATION

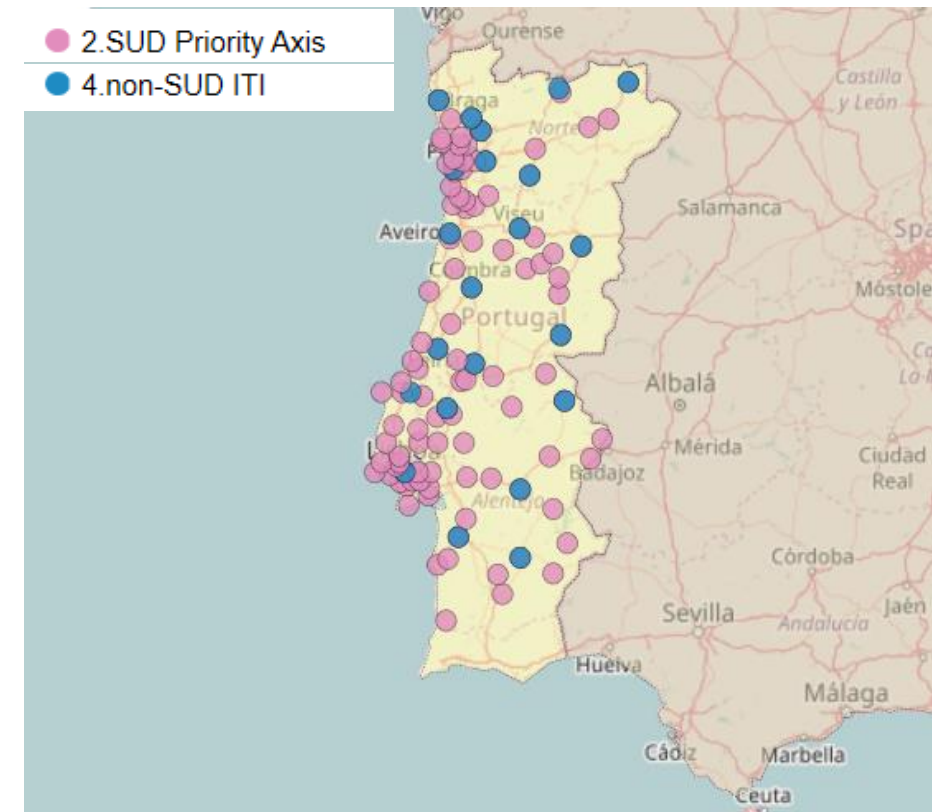

Regions Norte, Centro, Alentejo and the metropolitan area of Lisbon

105 SUDs

Centros Urbanos de Nivel Superior

Planos estratégico de desenvolvimento urbano_PEDUs

- Selected by the Regional Management Authorities supported by the “Programa Nacional da Política de Ordenamento do Território-PNPOT” and by the “Planos Regionais de Ordenamento do Território-PROT” (national and regional urban system)
- Urban centres of upper level according to PNPOT/PROT
- One Municipality per SUD, no functional areas
- ITI & CLLD outside Art. 7

STRATEGIC FRAMEWORK

ES

MULTI-REGIONAL OPERATIONAL PROGRAMME FOR SPAIN 2014-2020 (POPE)

UNIFYING THE PREVIOUS OPERATIONAL PROGRAMMES FOR SUSTAINABLE GROWTH (POCS) & INTELLIGENT GROWTH

IT

THERE ISN'T A NATIONAL STRATEGIC FRAMEWORK FOR URBAN DEVELOPMENT.
IN THE **PARTNERSHIP AGREEMENT** THERE IS A DEDICATED SECTION TO SUD.

NATIONAL STRATEGY FOR INNER AREAS (BASICALLY FUNDED BY ROP)

PT

PNPOT – PROGRAMA NACIONAL DA POLITICA DE ORDENAMENTO DO TERRITÓRIO.

PROT – PLANOS REGIONAIS DE ORDENAMENTO DO TERRITÓRIO.

ROP – Priority Axis for intra-urban projects (urban regeneration and critical neighbourhoods projects) + urban mobility.

EXCHANGE OF EXPERIENCES ON ART. 7

LED BY:

- Ministry of Finance, DG European Funds
- Ministry of Development, DG Architecture, Housing & Urban Policy

- Complete information on SUD calls & related events
- Working Groups
- Good Practices data base
- A forum for the exchange of experiences (still a challenge)
