- "To create a sustainable, competitive and territorially integrated Baltic Sea Region"

Priority 2. External and internal accessibility
- 6 projects

Priority 3. Baltic Sea as a common resource
- 11 projects

Priority 4. Attractive and competitive cities and regions
- 13 projects
8 Flagship projects in the Baltic Sea Region Programme
2. Quality assessment criteria

Relevance of the proposal

Coherence of the proposal and quality of approach

Durability, transferability and dissemination of results

Partnership

Budget and Management

+ additional quality features (*NEW!* contribution to the EUSBSR)
3. The EUSBSR in the third call for applications

- Particularly flagship projects of the Action Plan are invited to apply
- All applicants are asked to describe if and how the project contributes to the EU Strategy and its Action Plan
- Flagship projects are asked to submit a “letter of commitment” from the priority area coordinator
3. The EUSBSR in the third call for applications

- The JTS assess the projects based on the quality assessment criteria
  - Including the relevance to the Programme...
  - and the description of the relation to the EUSBSR

- The MC makes the selection based on the JTS assessment

- Both the relevance and the overall quality of the project matter in the selection!
