

European Commission

# STRENGTHENING INNOVATION IN EUROPE'S REGIONS

## The industrial transition regions pilot action

Centre-Val de Loire has been selected to receive tailored support under the Commission pilot action for industrial transition

Centre-Val de Loire will be able to develop or redesign a strategy for regional economic transformation based on its smart specialisation priorities i.e. its niche areas of competitive strengths

- Environmental engineering and metrology for resource-intensive activities
- Biotechnologies and applied solutions for health and cosmetics
- Systems for energy storage
- Technologies for energy efficiency for construction and building renovation
- ICT and solutions for tourism

## Region profile

GDP per head (2016): €25.095	Unemployment rate (2016): 9.9%	Total change in industrial employment between 2000 & 2014: <b>-26%</b>
---------------------------------	-----------------------------------	---

ECONOMIC STRUCTURE IN EMPLOYMENT (2014)
