(25) Rural regions are the most endangered 339
(26) New measures needed 339
20.5 Promoting Growth Beyond the Capitals 340
(27) The promising developers 340
(28) Sustainability and economic opportunities are best combined 340
20.6 Turning Barriers into Bridges 340
(29) Both types of border regions addressed 340
(30) Specific topics of cross-border co-operation 341
(31) From parallel action to genuine co-operation 341

21. RECOMMENDATIONS 343
21.1 Options and Opinions 343
(32) An opinion requested 343
(33) Policy options and policy limitations 343
(34) Purpose of these recommendations 344
(35) Spheres of the recommendations 345
21.2 Spatial Policy Options 345
(36) Lessening the spatial impact of enlargement 345
(37) Integration of sectoral strategies and measures 346
(38) Enable regions to become actors in spatial development 347
21.3 Organising Transnational Co-operation in the Danube Space 348
(39) Creating a Danube Space policy-making institution 348
(40) Observing the regional aspects of development 350
(41) Promoting key actions in line with the strategy 351
(42) Possible key actions for the strategy element "co-operation along the river" 352
(43) Possible key actions for the strategy element "preventing regions from uncoupling" 353
(44) Possible key actions for the strategy element "promoting growth outside the capitals" 353
(45) Possible key actions for the strategy element "turning barriers into bridges" 354
