## EU TEENS 4 GREEN

JOIN THE **EU TEENS 4 GREEN**  
THINK TANK

### IF YOU ARE:

- A representative of a youth environmental association
- A teacher
- A researcher
- A policy officer working in a national or EU agency in charge of youth-related programmes
- An expert in just transition

**Apply Now**

Apply now to join the EU Teens 4 Green think tank and co-design a call for projects targeting young people and youth associations based in the EU Just Transition regions.

**DEADLINE FOR  
SUBMISSION**

**15 July**

\*Expressions of interest sent after this date will not be considered

The call for projects will fund initiatives proposed by young people (between 15 and 24 years old) to advance the green transition in regions most affected by the transition towards climate neutrality.

**SUBMIT YOUR EXPRESSION OF INTEREST  
BY REPLYING TO THE GOOGLE FORM**

## THE PROJECT

You will help prepare the call for proposals! Each youth project selected on its basis will receive up to €10.000 to implement actions aimed at accelerating the green transition in just transition regions. Join now to influence what projects for youth climate actions will receive funding!

## THINK TANK

The Think tank will gather at 3 stages to provide insights, identify the needs of the young, give input on a survey conducted among EU young people and on the call from the perspective of the target audience and climate topics.

A balanced distribution (in terms of gender, geography, type of organization) will be considered when selecting the Think Tank members.

### YOUR ROLE:

- Attend at least 3 online meetings to share your insights.
- Help identify the needs and interests of young people and how they perceive their changemaking role in the green transition.
- Provide feedback regarding the survey and call for projects.
- Spread info about the project throughout your networks.
- Ensure the pilot scheme (call for projects) is relevant and well structured.

### BENEFITS:

- Be involved in a pilot project implemented in several European regions.
- See your region participate in a transnational project to mobilise the young.
- Connect with young change-makers and like-minded people working for a more sustainable future.
