

At the School of Open Cohesion- ASOC EU

Gianluca COMUNIELLO, European Commission

The Main Outcomes of the project 2019-2021

What ASOC EU is about

ASOC engage High School students and teachers in **civic monitoring researchs**
to discover how public money
– in particular the Cohesion Policy Funds –
is spent.

What ASOC EU is about

- Promoting the principles of aware citizenship
- Fostering civic monitoring of public funding
- Increasing the knowledge of the Cohesion Policy
- Bringing young people closer to institutions
- Encouraging responsible use of ICT, including open data, and social media
- Disseminating innovative teaching methods and tools in the European Education sector

What happens to participating students

- They learn what Cohesion Policy is about...
- They analyze how cohesion funds are spent in their region...
- They explore the financed operations, by meeting with project beneficiaries...
- And then

THEY DO THE TALKING

ASOC EU is growing

- 2 Interreg programmes are implementing ASOC with schools “Twinning” across borders
- 2 additional Interreg programme will do the same in the near future
- Contents of the learning path are available in a growing number of languages:

EN – IT – BG – HR – EL – ES – PT – FR - DE

ASOC EU...
cheap but effective
