## ***Mechanism of Irregularity Reporting***

## Reporting of Irregularities – Aim of Reporting

- Reporting can vary significantly. Information includes the provision infringed, the amounts in question, the practices used to commit the irregularity, the parties involved, whether the detected irregularity constitutes 'fraud' etc.
- Functions: It is a **preventive measure** to support proactive risk analysis, and it also **allows administrative and judicial monitoring** of action taken by Member States.

## **PACA – Primary administrative or judicial finding**

### **Requisites for PACA:**

- **A document in writing (written assessment):** a report, memorandum, resolution, recovery order, management verification report, check list any document with facts of irregularity
- **An assessment by a competent authority;**
- **A conclusion that an irregularity has been committed.**

## Types of Reporting

- In EU legislation the deadlines for meeting the reporting obligation vary, based on the type of the irregularity report (initial; follow-up or special report).
- **Initial** - Within two months following the end of each quarter (counting from the PACA).
- **Follow up** - *as soon as possible after obtaining the relevant information (In initiation, abonnement or conclusion of proceedings)*
- **Immediate** – if other MS is concerned
- **Limitation period** – no envisaged (programme). In suspicion of fraud – depends on National Legislation.

## Closing and cancelling the irregularity reporting

- **Cancelling**: if the case did not constitute an irregularity
- **Closing**: when all proceedings and procedures are concluded on national level, including the reimbursement to the EU Budget.

Examples:

1. The beneficiary **recovers** the unduly paid **sums**
2. the **financial correction procedure** is finalised;
3. The procedures are concluded with final **administrative or judicial act**
4. If the **court** says there was not an irregularity
5. If the **beneficiary fulfills its obligation** that lead to the irregularity
6. **Removal** from the **trade register** of the beneficiary
7. the **MA discovers** the irregularity **before payment** and the funding agreement is cancelled or the beneficiary agrees to cover the financial consequences
8. **New findings** opposite to the old ones
