

# INTEGRITY PACTS IN COHESION POLICY

## BREAKOUT ROOMS – SESSION 4 – INTEGRITY PACT SCALING UP

Question	Answer (bullet points!)
What kind of <b>formal arrangements</b> should there be to ensure multi-stakeholder cooperation in procurement project identification and selection?	
What would be the added value of <b>cross-national IP</b> initiatives targeting various EU funds (e.g., ERDF, CF, JTF)? Which sectors and/or policy areas should be prioritised?	
How could the EU Commission and Member States cooperate to ensure that civil society capacity and resources match the demand for IPs and procurement monitoring more in general?
