ESI FUNDS CONTRIBUTION TO COMMISSION PRIORITIES
JUSTICE AND FUNDAMENTAL RIGHTS

€ 6.2 billion will aim at combating all forms of discrimination and improving accessibility for persons with disabilities, while easing their integration into employment, education and training.

€ 4.3 billion from the European Social Fund will be used for promoting equality between men and women. Investments will focus on increasing the participation and progress of women in employment.

About 41.7 million citizens in the EU will benefit from improved health services, including investment in e-health.
