You will find below a list of questions received for this call for proposals. Please note that the present document aims to complement and clarify the call for proposals and does not replace it. A Q&As document will be periodically published; applicants are invited to check this website regularly.
**Q1.** We are applying a proposal under the budget line 2018CE16BAT042 'Support for information measures relating to the EU Cohesion policy'.

In the CHECKLIST FOR APPLICANTS you ask:

<table>
<thead>
<tr>
<th>Balance sheets or extracts from balance sheets for the last year for which accounts have been closed have been included with the application form.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Profit and loss account for the last financial year for which the accounts have been closed has been included with the application form.</td>
</tr>
</tbody>
</table>

But in the guidelines is written that these documents should be provided ON DEMAND.

Should we annex these documents to the grant application form or later on request only?

**Q2.** In relation to the CALL 2018CE16BAT042 'Support for information measures relating to the EU Cohesion policy', deadline for submission of applications 28 June 2018, as specified in the Guidelines for applicants we request the obtain the PIC code and the documentation necessary to prove the legal existence and status of the organization.

We also ask for clarification if the same procedure shall be followed by the Co-Applicant.

**A2.** The designation "applicants" refers to the organisations which submit a proposal (see point 6.1 in the guidelines). In case of a consortium, not only the coordinator is considered as the applicant but all members of the consortium involved in the application are considered co-applicants. Given the above the co-applicants will also be requested to provide the supporting documents necessary to prove the legal existence and status of the organisation. During the evaluation phase, applicants will receive instructions on how to create a PIC. All necessary details and instructions will be provided via a separate notification.
